

Il aurait ete apprecie que les lunch soient identifies, car il n'y avait plus de celui demande. . . Excellent travail, merci beaucoup!

Meilleur avec un buffet.

No place to sit at lunch. . .

Disappointed with the amount of "puzzle piece posters" it did no look professional. Box lunches were well made & convenient/quick. Good spread of repro & Dev topics

More oocyte stuff

Thank you Charlotte :)

Healthy food :)

Durant la session "Poster", la salle est extremement bruyante. On entend a peine se que disent les etudiants.

Great box lunches - more veggies would have been healthier; though, I love chips.

Thank you so much for nice hospitality. It would better make more diversity in subjects. I think some area of reproduction were missed. Yours sincerely.

The conference room got too cold in the afternoon. Invited speakers were not as appealing as in past years for general interest. Lunch was not great.

The lunch boxes were not bad but I preferred the food presentation of the previous years. Otherwise it was a great day and very well organized, with good variety in the topics.

Very well organized and interesting talks.

Wonderful day. Great presentations.
