## Faculty of Medicine and Health Sciences Clinical Innovation Competition (CLIC)

This unique competition aims to inspire members of our Faculty of Medicine and Health Sciences community to conceive and develop ***promising innovations*** that will have a direct and positive impact on ***health care at home or abroad***. It is in its fourth year and DOM has had much success in this competition including previous winners Dr. Emily McDonald and Dr. Todd Lee.

For more information about eligibility, application process for this year's competition, please visit this link:
