In the event of a fire alarm, please exit the building by the nearest exit with all possible haste and encourage others to do so. Advise building evacuation team of anyone who has remained in the building.

You must have a 9-digit McGill ID to access Minerva. This will be generated and activated once your course lecturer contract has been signed and returned. Please contact the Human Resources Administrator, Andrew Bennett (514.398.6733), for further information. *Your Administrative Coordinator may assist you in entering grades on Minerva, but not enter them on your behalf.*

MyCourses provides users with a web-based virtual learning environment that students use to access their courses online. Students can access tools such as discussion boards, live chat, course documents, assignments and quizzes.

10.1 Grading Budget

A grading budget is available for those course sections with 35+ students. The budget is set at $12.00/hr per student.

Should you teach several sections of the same course and the total enrolment of all sections average out to 35 students, you will be entitled to a grading budget.

BCom or Undergraduate students should be hired to grade your assignments, midterms, etc. Your Area Coordinator or instructors from your area could be sources of reference.

In order to pay a grader an employment agreement and a timesheet must be completed and signed by the grader and course lecturer. For graders who have never been paid before, he/she should complete a Personal Data form and Tax forms (TD1 & TP1015.3-V). Direct Deposit is now mandatory, students must update their banking information in Minerva/Student Accounts Menu/Direct Bank Account; select “Copy to payroll bank information”.

Forms can be viewed and printed online at:

https://www.mcgill.ca/desautels/resources/building-admin/casual-payroll/

Graders will need to be sent this link as the Personal Data Form and timesheets need to be completed online.
