BACHELOR OF COMMERCE
Desautels Faculty of Management
McGill
Is the Desautels BCom program right for you?

Desautels’ Bachelor of Commerce
McGill’s Desautels Faculty of Management is recognized as one of the best international business schools by the Financial Times and BusinessWeek. With the highest admission standards of any undergraduate business program in Canada, the BCom program attracts top students from over 75 countries around the world.

Over 80% of our professors have an international background. This unique multicultural environment provides our students with an invaluable opportunity to learn and develop in many ways beyond academics, opening numerous doors to future global networking opportunities.

Flexible Curriculum
The BCom Program is unique in its combination of a solid disciplinary foundation and its flexible curriculum.

In addition to standard business offerings, the BCom Program offers unique program options:
- Major in International Management
- Honours in Investment Management
- Managing for Sustainability

Student-centered services
BCom students have access to in-house advising, Career Services, tutoring and computer support as well as a network of cross-campus support services.

Program Structure
The BCom Program’s highly flexible curriculum balances breadth and depth in management education. Students can choose between various combinations of Honours, Majors, Concentrations and Minors.
