

03 **CAPITALE-NATIONALE**

CENTRE DE PRÉVENTION DU SUICIDE DE QUÉBEC				
Project Title				
Translation of the Website				
Objectives				
To reach out to the English-speaking clientele of the Capitale-Nationale region, be it to a person in psychological distress, a close relation or a helper working in the English-speaking circles of the region.				
Description				
The Centre de prévention du suicide de Québec will offer to its users a fully bilingual platform. The project includes the translation of the contents of the website by a specialist company and programming on the website so as to make it accessible in both languages.
