<b>COASTERS ASSOCIATION INC.</b>						
<b>Project Title</b>						
<b>Building Career Focus in the Health and Social Services Field</b>						
<b>Objectives</b>						
<p>This project has four objectives: 1 – one hundred (100) youth having greater understanding of career opportunities in the health and social services field; 2 – data base for the region of possible candidates in the health and social services field; 3 – five youth and adults working within the CISSS de la Côte-Nord increasing access to health and social services in the English language; 4- three students having increased opportunity to continue their education in the health and social services field through bursary program.</p>						
<b>Description</b>						
<p>Coasters Association will:</p> <p>1- Plan, develop and hold 1 career day each year in regards to promoting the health and social services field, and also create publicity materials for all high schools on possible health and social services career opportunities.</p> <p>2 - Maintain and update student data bases.</p> <p>3 - Administer all aspects of Dialogue McGill Health and Social Services Community Leadership Bursary Program. This includes preparing press releases, forwarding student bursary forms, following up for information on bursary form, follow up on payments to students, and follow up with students in regards to evaluations being completed by Dialogue McGill.</p> <p>4 - Act as liaison agent between students and the human resource department at the CISSS de la Côte-Nord to aid with summer job placements, internships, and career job placements. This includes sharing job posting via social media, e-mail data base and contact by phone, requesting resumes from youth that have completed their studies and sharing them with CISSS de la Côte-Nord and Commission scolaire du Littoral (CSL) administration and human resource staff, and to support youth in hiring and moving process to villages on the territory.</p> <p>5 – Hold *10 “Conversation cafés” held with health professionals to improve English and French skills, assisting in the French personnel coming into the villages to improve on their English language skills and aiding the English-speaking personnel at the CISSS de la Côte-Nord to improve their French hoping to better help CISSS and CSL personnel integrate into the community as there are high staff turnovers in personnel that are not from the region.</p>
