

16 MONTÉRÉGIE

MONTÉRÉGIE WEST COMMUNITY NETWORK (MWCN)						
Project Title						
Montérégie West Community Network's Retention Program						
Objectives						
This project aims to increase the pool of human resources able to provide services in English in Montérégie West by participating in the promotion of careers in health and social services, by developing and maintaining a student data bank as well as by holding linguistic and cultural adaptation activities.						
Description						
<p>Over the next 4½ years, Montérégie West Community Network (MWCN) proposes to work in close partnership with a number of partners (public health institutions, community organizations and Riverside School Board (RSB) and New Frontier School Board (NFSB) and Lester B Pearson School Board to foster an environment suitable to promote internships and careers in the health and social services sectors, as well as youth retention in the regions of the Montérégie West for bilingual English-speaking students.</p> <p>Its proposal includes: 1 – promotional activities with schools (meetings and video-conferences between high school students and health professionals, development and distribution of promotional tools, open door activities); 2 - active participation to various regional committees and initiatives related to local and regional employment; 3 - activities to facilitate the social integration of interns, collaboration with public health partners to encourage recruitment of interns</p> <p>More precisely, targets are: 1 – To reach 300 students via promotion activities in the educational network; 2 – To reach 200 students with the distribution of promotional material; 3 – To reach 25 students via videoconferences with health professionals ; 4 – To reach 25 students by holding an information session between a health professional and students; 5 – To increase to 10 participants its conversation club* activities with health professionals in 4 establishments throughout the Montérégie West; 6 – To increase its number of partner within the Montérégie West namely throughout the Vaudreuil-Soulanges area.</p>
