RÉSEAU DE L'EST DE L'ÎLE POUR DES SERVICES EN ANGLAIS (REISA)

Project Title

English an Asset!

Objectives

This project aims to: promote careers in health and social services to secondary and post-secondary students in the east end of Montreal; maintain student data banks; promote retention of bilingual health professionals in the east-end of Montreal; increase the number of internships offered and post-internship employment with community organizations in REISA's network; increase collaboration with the health institutions for the creation of internship opportunities for bilingual students.

Description

This projects is based on a four step strategy: 1) Encouraging English-speaking youth to undertake careers in health professions; 2) Providing opportunities for English-speaking students to contribute their linguistic abilities and theoretical understanding gleaned from coursework within healthcare settings and complementary community services; 3) Providing opportunities for bilingual English-speaking students to acquire ease and comfort in working in a francophone setting while contributing their ability to offer complementary health and social services in English to the local community; 4) Collaborating with the CIUSSS de l'Est-de-l'Île-de-Montréal to increase internship opportunities for bilingual students.
