2, 3, and 4 Year Overviews

Which one is for you?

- K/Elementary & TESL: 3 Year Overview
- Secondary programs: 2 Year Overview

Students without significant advanced standing (ie. less than 45) should continue to follow the 4 Year Overview with some updates as discussed with your advisor.

**NOTE:** 2 and 3 Year Overviews presume that Freshman, Electives, and Complementary Subject Area courses are all complete. If only some of yours are complete, you may follow a hybrid version of the Overview. In this case, meeting with your advisor is paramount.
