Course Description
This course is designed to give students a basic knowledge of Korean language. Grammar rules, vocabulary and expressions needed for everyday conversations will be taught. Starting with the Korean Alphabet Hang’ul in the first few classes, the student will learn sentence structures of increasing complexity, from simple structures with one verb or adjective to the complex ones with several verbs and/or adjectives in a sentence. At the completion of the course, students should have a good base about Korean language structure and be able to handle everyday conversation.

The lecture will follow the content of the textbook McGill Korean 1. For details, please refer to table of content of the book. The organization of a typical week is 4 lectures with the instructor and 1 lecture with a TA who will lead mainly pronunciation, listening and speaking exercises.

2. Assignments 10%
3. Vocabulary Tests 15%
4. In-Class Written Tests (13) 25%
5. Oral Presentations (2) 15%
6. Final Exam 25%

1. Participation grade is based on the instructor’s observation of students’ attitude and participation during class time and course related activities.
2. All assignments should be handed in by the deadlines indicated. 20% of penalty for late submission. It is not possible to submit assignments after the answers are posted. Instructor can impose to some students additional self-studying material if she considers it beneficiary for them.
3. Small vocabulary quizzes will be given almost once a week (total about 10 quizzes per semester)
4. 10 small tests worth of 1% each in the fall term (less than 20 minutes each) and 3 bigger tests in person worth of 5% each (one hour tests) in the winter term (in-person class). In case that the winter semester will be remotely delivered, 10 other small tests will replace 3 bigger tests (to be determined). No Supplemental or Deferred In-Class Tests. In case of inevitable absence, student has to submit a written explanation along with supporting documents.
5. One oral presentation at the end of the fall term (5%) and another one (10%) in the winter term. The fall term oral presentation will focus on conversational skills on given topics. The one in the winter term will be a presentation based on some research on a topic of the student’s choice.
6. Final Exam refers to the 3 hour in-person exam in April 2021. If the winter semester has to be delivered remotely and any in-person exam cannot be held, other forms of tests will replace it for the same weight (25%). In such case, the details will be announced at the appropriate time.
