

Exchange Program - Course Evaluation form for ECSE courses only

Department of Electrical and Computer Engineering
 3630 University Street
 Room 2060, Trottier Engineering Bldg.
 Tel.: 514 398 3943
 Fax: 514 398 4653
 URL: www.mcgill.ca/ece

The form, duly completed, must be submitted to the departmental office for evaluation. Students will be contacted via e-mail (UEA) once the evaluation process is complete and the courses are assessed.

With permission from the Faculty of Engineering, students may take general complementary courses (Humanities and Social Sciences or Impact of Technology) outside of McGill University.

Technical complementary courses may also be taken outside of McGill but must be approved by the Department of Electrical and Computer Engineering. **Core courses, courses that are a mandatory part of the curriculum, must be taken at McGill.**

Please submit one form for each ECSE course.

Student Name: _____

Department/School: _____

Student Number: _____

Year admitted: _____

McGill Email: _____

Local Telephone: _____

Program: Computer Electrical Software

Name of Host University: _____

| Host University Course Number and Title | Host University AUs | Year & Term | Host University Credits | McGill University Course Number and Title | McGill University AUs | McGill University Credits |
|---|---------------------|-------------|-------------------------|---|-----------------------|---------------------------|
| | | | | | | |

Submit URL for course description: _____

| Host University Course | Hours per Week | Total Weeks | Total Hours for Course |
|------------------------|----------------|-------------|------------------------|
| Lecture Hours | | | |
| Tutorial Hours | | | |
| Lab Hours | | | |

| Host University Course | Host University AU |
|------------------------|--|
| AU calculation | Lecture Hours (_____) + ½ of Tutorial Hours (_____) + ½ of Lab Hours (_____) = (_____) |

Student's signature: _____

Date: _____
