

# Rules of the lab kit

We(students) acknowledge that we are responsible for all equipment and materials that we sign out (borrow) for our group. **If any of these materials are not returned, we understand that we will be billed for all missing items and that our grading for the course may be withheld until either payment is made or the items are returned.**

We understand that we should not loan nor give any item borrowed to another group, et cetera, as these items are our responsibility. If we do lend any of these materials, we understand that it is our responsibility to recover the item(s) in question.

We understand that there are rules governing the use of all labs within the Department, and we agree to abide by these rules (either verbal or posted), and to respect the Student Code of Conduct. We understand that violating these rules can result in disciplinary measures.

**We will return everything borrowed within ONE WEEK of the last day of lab.**

We agree to the conditions above.
