Important: A permit approval given for a course does not register you in a course; it only allows you to register for a course.

Please note: A minimum average GPA of 3.15 is required in 250/230, 352/330 and 257/227, as well as in all economics courses, in order to take ECON 480.

- ECON 480 cannot be taken more than once.

- The duration and amount of work required for ECON 480 has to be commensurate with that for 400 level courses.

- Approval of the Undergraduate Director in Economics has to be obtained prior to registration in ECON 480.
