**960 Total Hours Each**

*Notes.* All percentages and hours are estimates based upon course outlines collected primarily during the 2009-2010 academic year. Variations will occur year-to-year.

1. No competencies are estimated for electives as these vary by student.

2. For practicum and internship hours, competencies have been indicated (by X) based on training that might regularly be expected to be provided.

Where a particular competence might not regularly be expected (based upon the setting) an asterisk (\*) has been used.
