

McLennan-Redpath Terrace Pickup Service

Recently, the McGill Library has incorporated some of our AMRC materials into the Redpath Terrace Pickup service. This means that all the materials available from the [ECP-AMRC Course Reserves Catalogue](#) will be available for loan. The loaning procedures are as follows:

1. Review the available materials by browsing the [ECP-AMRC Course Reserves Catalogue](#).
2. Send an email to the Education Circulation email: educcirc.library@mcgill.ca to request the material(s).
3. Your email must include the following information:
 - a. A direct link to the [catalogue](#) item
 - b. Barcode number on your student ID card (Only people receiving this email (registered in certain courses) will be able to reserve materials).
 - c. Requested pickup date
4. Once you receive confirmation of your pickup date, you will collect your material(s) at the Redpath Terrace Pickup location: <https://www.mcgill.ca/library/about/terrace-side-pickup>

Please note: There are no return dates imposed on students by the Library, given the current situation, however we would ask that you kindly return materials **as soon as possible**, in order to share our limited resources between several students. The turn around time for materials is approximately 5 business days (i.e., if you return your materials on a Monday, the next student would have to wait until the following Monday to pick up the same materials). Please keep this in mind and do your best to return materials in a timely fashion. We strongly suggest that materials are returned to the Library within **3 business days** (as was the maximum loan duration at the AMRC).

We hope you will find this service useful, and for those of you who have feedback about your experience using the Redpath Terrace Pickup service, we would like to hear from you so we can optimize the process. Please email ecp-amrc.education@mcgill.ca with any feedback you may have.
