**EDPE 676 (lecture & lab) is a daytime course in advanced statistics for those wishing to prepare for admission to a Ph.D. program or with research interests. Please email edpsych.education@mcgill.ca with rationale outlining interest in pursuing this course.
EDPE 676 is only available to students who have completed or received an exemption from EDPE 575 or equivalent approved undergraduate statistics course.

Complementary Courses:

** Field work option (EDPI 539; one semester option; 3-credits per term) **Field Work Students must register for both Seminar CRN# 2731 and Field Course CRN# 2730.** Field Work provides the opportunity to expand your experiences working with students with diverse needs in inclusive, integrated, and segregated settings. Sites are selected that correspond to student needs, interests, and professional growth. For more information see the following website:

<http://www.mcgill.ca/edu-ecp/programs/mededpsych/program-information-forms-guidelines#practical>

Students may select any complementary courses listed above or any other 500- or 600-level courses offered by the Department or other units with approval of the Program Director. For approval, please contact your program email:

edpsych.education@mcgill.ca
