**EDPE 676 (lecture & lab) is a daytime course in advanced statistics for those wishing to prepare for admission to a Ph.D. program or with research interests. Please email edpsych.education@mcgill.ca with rationale outlining interest in pursuing this course. EDPE 676 is only available to students who have completed or received an exemption from EDPE 575 or equivalent approved undergraduate statistics course.

Complementary Courses

1) ** Field work option (EDPI 539; one or two semester option EDPI 656 D1/D2; 3-credits per term). Note: Register for both CRN# to be fully registered in this course. This course provides the opportunity to expand your experiences working with students with diverse needs in inclusive, integrated, and segregated settings. Sites are selected that correspond to student needs, interests, and professional growth. For more information see the following website:

<http://www.mcgill.ca/edu-ecp/programs/mededpsych/program-information-forms-guidelines#practical>

2) Students may select any complementary courses listed above or any other 500- or 600-level courses offered by the Department or other units with approval of the Program Director. For approval, please contact your program email:

edpsych.education@mcgill.ca

Complementary Courses							
1) ** Field work option (EDPI 540; one or two semester optionEDPI 656 D1/D2; 3-credits per term). Note: Register for both CRN# to be fully registered in this course. This course provides the opportunity to expand your experiences working with students with diverse needs in inclusive, integrated, and segregated settings. Sites are selected that correspond to student needs, interests, and professional growth. For more information see the following website: http://www.mcgill.ca/edu-ecp/programs/mededpsych/program-information-forms-guidelines#practical							
2) Students may select any complementary courses listed above or any other 500- or 600-level courses offered by the Department or other units with approval of the Program Director. For approval, please contact your program email: edpsych.education@mcgill.ca							
** NOTE: Students interested in pursuing doctoral studies following the completion of the M.Ed. or who have a background in Psychology with experience in research are recommended to take EDPE 605 - Research Methods, in lieu of EDPE 602 - Uses of Research Findings in Education (offered in the Fall term). Students cannot count both EDPE 602 and EDPE 605 for credit towards their M.Ed. degree. Please email us in advance for approval and administration at: edpsych.education@mcgill.ca							
* EDPE 616 is a Developmental Psychology course recommended only to students with a background in Psychology. This course can be taken for credit in lieu of a Complementary only. Select this course only if you have the appropriate background in the subject matter.
