Required courses that must be completed in Fall of Year 1

(Please note students need only register for one section of EDPI 642 and one section of EDPE 502)

Students must also register for **EDPI 691 Research Project 1 (CRN 2794)** in Fall year 1. For info on Research Project Courses, see:
<http://www.mcgill.ca/edu-ecp/programs/mededpsych/courses/med-research-project-concentration#M.Ed. Project Concentrations Overview>

**EDPE 676 (lecture & lab) is a daytime course in advanced statistics for those wishing to prepare for admission to a Ph.D. program or with research interests. Please email edpsych.education@mcgill.ca with rationale outlining interest in pursuing this course. Your full-time, 12-credits per semester will need to be maintained. EDPE 676 is only available to students who have completed or received an exemption from EDPE 575 (Regular Winter Year 1 course) or equivalent approved undergraduate statistics course.

**** NOTE:** Students interested in pursuing doctoral studies following the completion of the M.Ed. or who have a background in Psychology with experience in research are recommended to take EDPE 605 - Research Methods, in Winter, in lieu of EDPE 602 - Uses of Research Findings in Education.

Students cannot count both EDPE 602 and EDPE 605 for credit towards their M.Ed. degree.

Please email us in advance for approval and administration at:

edpsych.education@mcgill.ca
