Required Courses:

NOTE: Students who did not complete the M.A. in Human Development in ECP, may have customized schedules based on their academic background.
Contact edpsych.education@mcgill.ca for more information.

Regarding: EDPH 689 - this required course prepares students for teaching and is best suited for year 2 or later. It is offered every term.

<https://www.mcgill.ca/study/2020-2021/faculties/education/graduate/programs/doctor-philosophy-phd-educational-psychology-human-development>

Complementary Courses - Statistics Courses - 6 credits of Statistic Courses are required.

Students MUST review the calendar listing to appropriately select these options to fulfill requirements.

NOTE: For EDPE 684, all students must register for both a Lecture section (001) and a Laboratory section (002).

Students must have completed the pre-requisite course EDPE 682 in order to enroll in EDPE 684.

Complementary Courses - Content Courses - 9 credits are required.

Total of 9 credits from specific content courses must be taken throughout the degree.

We recommend that you review all options available to you in the program in the calendar link above in consultation with your supervisor.

NOTE: Graduate students are required to confirm their graduate student status by registering for General Registration CRNs
for the Fall and Winter semesters.

(Fall 2023 CRN is REGN RCGR 179)
