Laser Safety Training Registration Form

NOTE: In accordance with McGill University Laser Safety Program, all personnel working with Class 3B or Class 4 lasers, laser systems or operational laser components or subassemblies (including embedded lasers), must obtain laser safety training from prior to working with such lasers.

Applicant:

Name: ______________________  Position: ______________________

Department: ______________________  Building: ______________________

E-mail: ______________________  Phone number: ______________________

Principal Investigator:

Name: ______________________  Signature: ______________________

Date of scheduled training course: ______________________

NOTES:
1. Fill all required information
2. Choose a course date from the schedule provided by EHS. There are limited spaces available for each scheduled seminar. Registration is on a first-come, first-serve basis.
3. Have the form signed by your Principal Investigator.
4. Send the completed form to:

Joseph Vincelli, Laser Safety Officer
E-mail: joseph.vincelli@mcgill.ca
Fax: 514-398-8047
