STATEMENT OF PRINCIPLE

McGill University is committed to excellence in teaching, learning, and research and to fostering a community founded upon the fundamental dignity and worth of all of its members. The University recognizes that such excellence can only flourish in an equitable environment in which all members of the University, at all levels, regardless of the nature of their work or area of study are free from Harassment, Sexual Harassment and Discrimination Prohibited by Law. To help create such an environment the University is also committed to supporting an office the mandate of which includes the education of, and the dissemination of information to, members of the University community concerning such matters as harassment, discrimination and equity.

Each Member of the University Community shares responsibility for respecting the dignity of, and giving fair treatment to all members of the University community. Moreover, each person is responsible for promoting and maintaining an equitable environment free from Harassment, Sexual Harassment and Discrimination Prohibited by Law, as defined in Section 2, below.

Particular onus is placed on those in positions of academic and administrative authority: to be aware of what constitutes Harassment, Sexual Harassment and Discrimination Prohibited by Law and what procedures are in place to provide information and to address complaints; and to implement and use appropriate and active management practices consistent with the achievement of the goals of this Policy. Nothing in this Policy relieves administrators from the responsibility of addressing situations of inappropriate behaviour in accordance with good management practices.

The University shall take reasonable action to prevent Harassment, Sexual Harassment and Discrimination Prohibited by Law, and whenever it becomes aware of such behaviour, to put an end to it. Nothing in this Policy relieves the University from its obligations under the Labour Standards Act of Quebec.

Acts of Harassment, Sexual Harassment and Discrimination Prohibited by Law are University offences subject to disciplinary measures.

Section 1 – SCOPE

- 1.1 This Policy shall apply to all members of the University community.
- 1.2 This Policy is to be interpreted in a manner that is consistent with the goals given in the “Statement of Principles,” as well as with the provisions of the Civil Code of Quebec, the Quebec Charter of Human Rights and Freedoms, and the Labour Standards Act of Quebec.

- 1.3 Subject to Section 5.4.5 nothing in this Policy precludes either party from exercising any internal or external recourse available.
- 1.3.1 Subject to section 1.3,2 in the event that a Complainant should concurrently seek resolution of a Complaint under any other internal or external recourse, any Complaint submitted under this Policy shall be deemed to have been withdrawn.
- 1.3.2 Section 1.3.1 shall not apply where a Complainant is obliged to initiate an external recourse prior to the completion of the processes provided under this Policy in order to preserve her or his right to the external recourse.

- 5.1.2 If the Assessor believes that there is an immediate threat to the physical or psychological safety of the Complainant, the Assessor may recommend to the appropriate authority that temporary measures, as deemed appropriate, be instituted during the period of the investigation. The institution of such measures shall be without prejudice to the rights of the parties.
- 5.1.3 To the extent allowed by law, Assessors shall preserve confidentiality in the handling of all enquiries and Complaints.
- 5.1.4 Once a Complaint has been submitted in accordance with section 5.2.2, an Assessor shall remain seized of the Complaint until:

 - vi) a Complainant seeks resolution of a Complaint under any other internal or external recourse as provided in section 1.3.1.

5.2 Initiation of Complaints

- 5.2.1 Nothing in this Policy shall prevent a Member of the University Community who believes that he or she has grounds for submitting a Complaint from meeting with an Assessor prior to submitting a Complaint to seek advice as to how his or her concerns may be addressed without submitting a Complaint. Should such Member of the University Community then submit a Complaint, such Assessor shall play no further role in the investigation or resolution of the Complaint under Sections 5.3, 5.4 or 5.5 of this Policy.

- 5.2.2 A Complainant shall submit a Complaint to an Assessor in writing in sufficient detail.
- 5.2.3 An Assessor shall not consider a Complaint where the action, behaviour, conduct or decision which is the subject of the Complaint occurred more than one calendar year prior to the date of the Complaint.
Nevertheless, in such circumstances a Complainant may exercise another available recourse in accordance with section 1.3.
- 5.2.4 The Assessor shall provide the Complainant and the Respondent with:
- i) a copy of this Policy;
 - ii) information on sources of advice and assistance; and

- 5.3.1.1 The name of the Complainant may not be divulged by the Assessor to any third party without the Complainant's consent in writing.
- 5.3.1.2 The name of the Respondent may not be divulged by the Assessor to any third party, unless the Respondent is previously advised of the Complaint and consents in writing.
- 5.3.1.3 No party to a Complaint is obliged to participate in any means of informal resolution, but the parties should attempt a resolution by engaging in an open discussion conducted in a respectful manner.
- 5.3.1.4 All statements and disclosures made, information furnished, and documents and things provided or presented to the Assessor, if any, may be used at a subsequent stage unless consent to its use is withheld in writing by the person who is its source. The Assessor shall advise such persons of their right to withhold consent under this clause.
- 5.3.1.5 In cases where the Respondent is advised of the Complaint and a resolution acceptable to both parties is achieved, the matter will be resolved in accordance with section 5.4.5 of this Policy.
- 5.3.2 Where the Assessor is of the opinion that a resolution cannot be reached in accordance with the provisions of Section 5.3.1 of this Policy within a reasonable time, but no more than 30 working days following the date on which the Respondent was informed of the Complaint, the Assessor shall so advise the parties in writing prior to proceeding to an investigation under section 5.4.
- 5.3.3 At any time prior to the commencement of an investigation, a Complaint may be withdrawn by the Complainant.

- 5.4.4 The Assessor shall meet with the Complainant and the Respondent individually. Exceptionally, other reasonable means of communication may be substituted. The Assessor shall not hold a hearing.
- 5.4.5 The Assessor may propose to the Complainant and the Respondent an informal resolution of the Complaint, which the parties shall be free to accept or reject. Where the resolution is accepted, it shall be acknowledged by the Complainant and the Respondent in writing, in sufficient detail to allow for its implementation with the Assessor signing as a witness. The resolution shall be deemed to be final and both parties thereby waive any further internal and external recourse based on the facts having given rise to the Complaint.
- 5.4.6 Once an investigation has begun, a Complaint may be withdrawn by the Complainant with the consent of the Respondent. This shall be evidenced in writing with the Assessor signing as a witness.

5.5 Formal Resolution

- 5.5.2 The report shall be in writing and shall contain the findings of relevant facts and a description of any temporary measures instituted pursuant to this Policy. It shall contain a recommendation as to whether disciplinary measures should be taken and any other recommendation appropriate to the resolution of the Complaint.
 - 5.5.2.1 Where the Provost deems it necessary he or she may request from an Assessor clarification of the report and/or such additional information, if any, that would assist the Provost in making a determination.
 - The Provost shall notify the parties in the event of such a request.
- 5.5.3 Where the Provost agrees with the recommendation of the Assessor that disciplinary measures are justified, the Provost shall:
 - i) notify the parties in writing of his or her decision, together with the reasons therefore, within ten (10) working days from the date of receipt by the Provost of either the Assessor's report or the clarification or information requested pursuant to section 5.5.2.1, whichever is the later, with a copy to the Assessor who investigated the Complaint; and

- ii) institute disciplinary proceedings in accordance with the Regulations Relating to the Employment of Academic Staff, the Regulations Relating to the Employment of Librarian Staff, the Disciplinary Measures Policy for Non-Unionized Non-Academic Staff or the disciplinary process pursuant to the collective agreement to which the Respondent is subject, or the Code of Student Conduct and Disciplinary Procedures, as the case may be.

The time delays for taking disciplinary measures as set out in the disciplinary regulations or policies shall begin ten (10) working days from the date of the Provost's decision.

- 5.5.4 Where the Provost agrees with a recommendation that disciplinary action is not justified, the Provost shall so notify the parties within ten (10) working days from the date of receipt by the Provost of either the Assessor's report or the clarification or information requested pursuant to section 5.5.2.1, whichever is the later, giving his or her reasons in writing, with a copy to the Assessor who investigated the Complaint.
- 5.5.5 Where the Provost is tending to disagree with a recommendation of an Assessor, the Provost shall, within ten (10) working days, consult with one other Assessor, prior to making his or her decision.
 - 5.5.5.1 Within ten (10) working days following such consultation the Provost shall:
 - i) notify the parties of his or her decision; and
 - ii) where appropriate, institute disciplinary proceedings in accordance with section 5.5.3.
- 5.5.6 The Provost is not required to meet with the Complainant or the Respondent before or after rendering his or her decision.

5.6 General Provisions

- 5.6.1 Once the decision of the Provost is rendered, original documents shall, upon request, be returned to the party who submitted them, with only copies retained by the University and the case shall be considered closed.

All decisions, records and files shall be kept confidential and held for a minimum of five years after the closing of the file and then destroyed unless further proceedings were initiated.
- 5.6.2 Subject to section 5.4.5, nothing in this Policy precludes either party from exercising, subsequent to the decision made by the Provost, any internal or external recourse available.

Any time period stipulated for the institution of further internal procedures commences from the date of the decision of the Provost.
- 5.6.3 No action shall be taken by the University or a Member of the University Community against the Complainant for having exercised any right under this Policy, even where the Complaint was dismissed, except in cases of intentionally false or frivolous Complaints.
- 5.6.4 The Complainant, the Respondent, the Advisors and all other persons involved in the investigation shall maintain confidentiality throughout the process.
- 5.6.5 A Respondent or Complainant shall be subject to a penalty only in accordance with applicable laws or the Regulations Relating to the Employment of Academic Staff, the Regulations Relating to the Employment of Librarian Staff, the Disciplinary Measures Policy for Non-Unionized Non-Academic Staff or the disciplinary process pursuant to the collective agreement to which the Respondent or Complainant is subject, or the Code of Student Conduct and Disciplinary Procedures, as the case may be.
