**RE: Silver Anniversary 25<sup>th</sup> Annual McGill University Update in Otolaryngology-Head and Neck Surgery  
Mont Tremblant, Quebec, March 15, 16 & 17, 2024**

Dear Sponsor,

We are planning to hold our 25<sup>th</sup> Annual McGill Update in Otolaryngology-Head and Neck Surgery at the Fairmont Tremblant Hotel, Mont Tremblant, Quebec, on **March 15, 16 & 17, 2024**. **This year's meeting will be a very special one as we are celebrating our Silver Anniversary!**

Last year's meeting was an enormous success as was evidenced by the positive feedback that we received from participants. Our faculty was represented by a variety of prestigious universities from across North America. We have a confirmed faculty similar to earlier meetings and we anticipate a much larger registration. We are asking for your participation by being present as an exhibitor and to sponsor our speakers' program. **The booth registration fee at the bronze level will be \$3,500. We also offer gold for \$5,000 and platinum at \$7,000.** We have enclosed a booth reservation, to be returned to **Denise Antginas** at the coordinates below **before February 14, 2024**. Because of the significant demands to continue to produce a high quality academic program, we count on the support and generosity of our sponsors. Your support is much appreciated and will be acknowledged at the meeting and on our website. **Please consider sponsorship as a Gold or Platinum sponsor for speaker and academic program support. *All exhibitors will benefit from close proximity to the lecture area.***

**\*As a Bronze (basic) sponsor (\$3,500 which includes the booth fee), you will receive recognition at a breakfast.**

**\*As a Gold sponsor (\$5,000 which includes the booth fee), there will be a special event on Friday evening where you will have the opportunity to give a 3-5 minute presentation to faculty and registrants.**

**\*As a Platinum sponsor (\$7,000 which includes the booth fee), there will be a special event on Friday evening where you will have the opportunity to give a 5-7 minute presentation to faculty and registrants. There will also be additional recognition throughout the meeting.**

We would be very appreciative if you would budget for this important McGill event and peruse the information enclosed. **Should you have any questions, please feel free to contact Denise at [otl-residency.med@mcgill.ca](mailto:otl-residency.med@mcgill.ca)** or visit our website at <https://www.mcgill.ca/ent/ce/tremblant>

**As booth space is very limited, please confirm your participation as soon as possible!**

We look forward to your continued support and collaboration.

Yours sincerely,

**Course Directors**

**Karen M. Kost, MDCM, FRCSC**  
Professor of Otolaryngology McGill University  
Director of the Voice and Dysphagia Laboratory McGill  
University Health Centre (MUHC)

**Jamie M. Rappaport, MD, FRCSC**
