How to Apply

To be eligible for a Teaching Assistant position you must be registered at McGill University as a Graduate Student in the term to which you are applying.

McGill student not currently employed at McGill University, must apply via external postings. The website will direct you to create a Workday account. Please note, you must use a personal email address when creating this account. Do not use @mail.mcgill.ca or @mcgill.ca email addresses.

Candidates who are current McGill employees receiving a salary (not a graduate student stipend) must apply through their already active Workday account.

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities. McGill implements an employment equity program and encourages members of designated groups to self-identify. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, accessibilityrequest.hr@mcgill.ca or 514-398-3711.
