Equity/Wellness at McGill

This resource was curated by Sara Pierre, Employment Equity Advisor at McGill, in collaboration with many others. Thank you! It was first shared at McGill’s 10th annual Staff and Faculty Health Fair on October 29, 2020.

The resources are related to wellness for BIPOC from a mental health and employment equity perspective, with a primary focus on Black communities.

Please be aware that not all resources have been personally vetted; email me (sara.pierre@mcgill.ca) if you have feedback or concerns about anything posted. Resources should be pro 2SLGBTQIA+, feminist, and Tio'tia:ke/Montreal-based when possible.
# Table of Contents
