Faculty Club Newsletter January 2016 Edition

A Happy New Year to all McGill Faculty Club members. The staff wishes you all a year filled with love, health, happiness and much more! After all the busy holiday festivities, the Club will reopen its doors at 7:00 am on Monday, January 4th, 2016.

Prior to the holidays, the Faculty Club experienced a successful season once again. Most recently, we hosted our Annual Holiday Celebration Buffet Luncheon, we did return to our more traditional buffet and I can say that next year we will add a turkey to be carved. The Ballroom was overflowing with members and the air was filled with yuletide tunes sung by the McGill Carolers. The children's brunch was also a huge success. I had decided to make the entertainment more proactive by having two activities for kids. We had a show and touch of exotic animals and we also had experiment with dry ice. Both were a hit for young and old. During the brunch Santa Claus appeared with his bagpipe to entertain guests! This surely impressed all children who were present. Their eyes were filled with joy as they waited impatiently to receive their gift. It was an enchanting day that will not be forgotten for quite some time.

Bridge: Tuesdays, January 5th and 19th -- Maude Abbott Room. 1:30 to 3:30 pm

Once again, it's time for bridge players to regroup in 2015. Following all the holiday excitement filled with food, Christmas Carols and parties, it's time to come back to the Faculty Club for a quiet afternoon game of bridge. The McGill Committee for Retired Professors welcomes back all players – new, old, beginner and advanced! Enjoy a relaxing atmosphere

with a drink on the side.
