

List of Grants Awarded in 2014

Note: if there are two Family Medicine researchers on a grant, this grant will be listed under the Main Principal Investigator only

Neil Andersson

Major grants as nominated principal applicant

2014-2016 Southern African Development Community (SADC). HIV and AIDS Special Fund. Capacity building for HIV researchers in three SADC member states. USD 495,121.

2014-2016 Southern African Development Community (SADC). HIV and AIDS Special Fund. Capacity building for HIV researchers in ten SADC member states. USD 499,542.

Major grants currently held as co-applicant

2014-2019. Developing, Implementing and Evaluating a Model for Youth Mental Health Service Transformation: ACCESS Canada Adolescent / young adult Connections to Community-driven, Early, Strengths-based and stigma-free Services. NPI Ashok Malla CIHR and Boeck Foundation \$25m

2014-2017 ARHNETS for indigenous knowledge. (CIHR) NPI Charlotte Reading CAD 600,000.

Gillian Bartlett-Esquilant

2014-2016 McGill Tapestry – Teams Advancing Patient Experience: Strengthening Quality Health Canada (McMaster University) Primary Scientific Investigator: **Gillian Bartlett**. Primary Clinical Investigators: **E. Rosenberg, M. Roper** \$200,000

Howard Bergman

2014-2018 PROMPT Identification of Cerebral Palsy: Primary-care Referral Of Motor-impaired children: Physician Tools. Majnemer A (PI), Fehlings D, Radzioch Guerin A, Ahmed S, **Bergman H**, Bussieres A, Dagenais L, et al (co-applicants). CIHR. Knowledge Translation Research Committee. \$330,576. (\$82,644/year)

2014-2019 Assessing care models implemented in primary health care for persons with Alzheimer's disease and related disorders. Funding Source: Canadian Institutes of Health Research (CIHR) Program Name: Canadian Consortium on Neurodegeneration in Aging (CCNA) Nominated Principal Applicant: **Howard Bergman** Co-Principal Applicant: **Isabelle**

Vedel Other Co-Investigators: Ainsley Moore, Erin Strumpf, Paula Rochon, Sarah Pakzad, Yves Couturier, Liette Lapointe, Carrie McAiney, Linda Lee, Susan Bronskill, Audeed Grunier, Michele Aubin, Roxane Borgès Da Silva, Paul-Emile Bourque, Frank Molnar, Geoff Anderson, Edeltraut Kröger, Danielle St-Laurent, Valérie Emond, Pamela Baster, and Sherry Dupuis. Canadian Team for Healthcare Services/System for Improvement in Dementia Care/Canadian Consortium on Neurodegenerative Disease of Aging (CCNA). **Bergman H & Vedel I** (PI), et al. CIHR. \$1,200,000 / 5 years.

Grace Chi Ming Ma

2014 Granted \$5000 from the Réseau des soins palliatifs du Québec (RSPQ) - la bourse du RSPQ et de la Société canadienne du cancer for project entitled "Impressions et croyances des médecins du Centre hospitalier de St-Mary envers l'équipe de soins palliatifs"

Alexandra de Pokomandy

2014 – 2019 Principal Investigator: Mona Loutfy Source: Canadian Institutes of Health Research (CIHR) – operating grant Project: Canadian HIV Women's Sexual and Reproductive Health Cohort Study - Prioritizing the Health Needs of Positive Aboriginal Women (CHIWOS PAW) Total: \$450,000 (I hold \$45,000)

2014- 2018 Principal Investigator: Eduardo Franco Source: Canadian Cancer Society Research Institute (CCSRI) Project: A Randomized Controlled Trial of a Carrageenan-Containing Lubricant to Reduce Transmission of Human Papillomavirus Infection Among Men who Have Sex with Men Total: \$395,080

Roland Grad

2014-2017 The Information Assessment Method for e-learning. Funding Source: Canadian Medical Association. Nominated Principal Investigator: **Roland M Grad**. Co-principal investigator: **Pierre Pluye**. Total Amount: \$99,000 (unrestricted grant)

Jeannie Haggerty

2014-2018 Loignon C, **Haggerty J**, Hudon C, Dupéré S. Optimiser l'interface entre les ressources communautaires et les organisations de soins pour améliorer l'équité des soins et la santé des personnes en situation de pauvreté : ÉQUIsanTÉ-2., IRSC \$778,113

2014 **Haggerty J**, Durand J, Groulx A, St-Pierre M, Couturier Y, Légaré J. The Quebec Knowledge-1 Network : A learning community for primary and integrated care. CIHR \$75,000 (SN5-134237) MSSS-\$38750 FRQS-\$20000 McGill-\$10000 Réseau-1 Québec (SMHC) \$6,250

Susan Law

December 2014-December 2015 CIHR. Catalyst Grant. Adjuvant endocrine therapy in breast cancer: a novel e-health approach in optimizing treatment adherence in seniors. Meguerditchian, A (PI), Martin J (co-PI), **Law, S** (Collaborator). Total funding \$76,336..

December 2014-November 2015. Rossy Cancer Network. Research Grant. Looking Forward: the impact of a supportive re-entry program tailored by and for patients completing cancer treatment. Faria R (PI), Allard M, David M, Faria S, Goldenberg L, **Haggerty J**, Hijal T, Michaels G, Pineault M, **Law S**. Total funding: \$96,825.

November 2014-October 2015. Rossy Cancer Network. Research Grant. Women's experience of breast cancer. Stern D (PI), **Law S** (co-PI), Hijal T, Kopek N. Total funding: \$99,899.

November 2014-October 2016. St. Mary's Hospital Foundation. from September 2012- February 2014. at the bedside using whiteboards. **Law S** (PI), **Yaffe M** (co-PI), **Haggerty J**, Antonacci R, Carfagnini L, Laframboise D. Total funding: \$20,000.

Peter Nugus

2014 **Nugus, P.**, Denis, J-L., McCusker, J. & **Steinert, Y.** (Investigators); Wagner, C., Cooke, M., Nies, H., Wears, R., Billett, S., Greenfield, D., Carroll, C., Latreille, J., Mah, R., **Pluye, P.**, **Rosenberg, E.**, Xenocostas, S., Rousseau, C., Loignon, C., McLellan, H., Eng, S., St-Cyr, B., Chambers, L., Trottier, C., Basi, M. Strategic Planning to Support First Nations Communities Participating in the Exploring the Role of Video Ethnography to Promote Clinical Learning and Health System Improvement. Canadian Institutes of Health Research (CIHR), Planning Grant. \$ \$21,777 (Nominated Principal Investigator) (Score: 4.27 out of 5).

2014 Lubarsky, S. & **Nugus, P.** Casting light on shadowing: Lessons and outcomes from interprofessional shadowing experiences in the undergraduate medical curriculum, The Class of '77 MedEd Innovation Grants Program \$4,000 P. Nugus 43 December, 2014

2014-2019 **Co-investigator**, to ascertain the efficiency and effectiveness of patient transfer and coordination from emergency departments (with Dr. Roberto Forero, UNSW, Australia)

2014-2019 Rousseau, H., Xenocostas, S. (Principal Investigators), \$1.8million CAD Breau, S., Cleveland, J., Cloos, P., Côté, D., Crépeau, F., Fortin, S., Fraser, S., Gill, K., Gravel, S., Hanley, J., Hassan, G., **Jimenez, V.**, Kilpatrick, K., Lach, L., Lashley, M., Leanza, Y., Le Gall, J., Loignon, C., Measham, T., Mekki Berrada, A., Montgomery, C., Nadeau, L., **Nugus, P.**, Papazian, G., Petrakos, H., **Pluye, P.**, Renaud, L., Rhéaume, J., Rico De Sotelo, C., **Rodriguez, C.**, **Rosenberg, E.**, Rothwell, D., Ruiz-Casares, M., Thoër, C., Vachon, M., Vissandjée, B (Co-applicants). \$21,777 (for research and interventions in health and social services across settings). Fonds de la recherche du Québec – Société et Culture (FRQS). (Co-applicant).

2014-2019 Braithwaite, J., Westbrook, J., Coiera, E., Runciman, \$10,855,710 B., Day, R., Hillman, K. (Co Principal Investigators); \$173,690 (Ind.) **Nugus, P.**, et al. (25 Co-investigators). Creating Safe, Effective Systems of Care: The Translational Challenge (National Health and Medical Research Council, Australia, Program Grant, 2014-2019: Number APP1054146

2014-2018. **Nugus, P.** Améliorer le continuum des soins: Aller-retour de la collectivité à la salle d'urgence. Fonds de la recherche du Québec – Santé (FRQS). Approx. 306,000 CAD. (Chercheur-boursier: Career Award) – Junior 1). (Average score: 90.5%).

2014-2016 **Nugus, P.,** Faraj, S., Engeström, Y. & Kajamaa, A. \$70,494 Emerging Organizational Practices: Lessons from Radical Hospital Restructuring. Social Science & Humanities Research Council (SSHRC): Insight Development Grant

2014-2016 **PI, Initiator & Coordinator,** CIHR-funded project to deliver a research program on innovations (video ethnography) to improve care coordination (with Drs. Jean-Louis Denis (UQAM), Jane McCusker, Yvonne Steinert (McGill))

2014-2015 **Nugus, P.** Interaction Dynamics of Organizational \$7,000 CAD Change: How will Work Roles Change and Re-align in a Major Re-structure? Social Sciences and Humanities Development Grant, Faculty of Arts, McGill University, (Nominated Principal Investigator).

Pierre Pluye

As Principal Investigator

2014-2015 Project title: Two-way knowledge translation between information providers and health professionals Funding Source: Canadian Pharmacists Association Principal investigator: **Pierre Pluye.** Co-principal Investigator: **Roland M Grad.** Total Amount: \$25,000 (unrestricted grant)

As Co-Investigator

2014-2015 Co-investigator Project title: Les soins partagés en santé mentale jeunesse.: a mixed methods feasibility study Funding source: CIHR – Knowledge translation priority (bridge funding) Nominated principal applicant: Dr. Stéphanie Desroches. Co-investigators: **Pierre Pluye,** Marie-Pierre Gagnon, V. Provencher, and Sharon Straus. Total amount: \$100,000 for 1 year

Personal Support Award

2014-2018 Salary Support, Chercheur Boursier Senior (investigator award) FRQS # 29308 This application was ranked 1st in the competition 'Health & Society' Title: Effets de santé associés à l'application des informations acquises avec les technologies de l'information et de la communication par les cliniciens et les patients de première ligne (Health outcomes associated with the use by primary health care patients and practitioners of information derived from information and communication technology). Total amount: \$267,489

Charo Rodriguez

July 2014 – Dec 2015 Principal Investigator Title: Assessing an Undergraduate Medical Education Innovation: The First Year of the McGill Longitudinal Family Medicine Experience. Funding Source: The College of Family Physicians of Canada Program Name: March 2014 Janus Research Grants Competition Nominated Principal Investigator: **Lennie Lalla**. Co-Investigators: **Miriam Boillat, Marion Dove, Peter Nugus, Yvonne Steinert**, and Karen Willoughby Total amount: \$ 10,000 / 2 years.

June 2014 – May 2019 Co-Investigator Title: Santé, intervention sociale et immigration: des transformations globales aux adaptations locales Funding Source: Fonds de recherche du Québec – Société et Culture Program Name: Concours 2013-2014 - Soutien aux infrastructures de recherche des Instituts et des Centres affiliés universitaires du secteur social Nominated Principal Applicant: Cecile Rousseau Other Co-Investigators: Sébastien Breau, Janet Cleveland, Patrick Cloos, Daniel Côté, François Crepeau, Sylvie Fortin et al. Total amount: \$ 831,250 / 4 years

June 2014 – May 2019 Collaborator Title: Réseaux hybrides d'intervention dans le domaine sociosanitaire Funding Source: Fonds de recherche du Québec – Société et Culture Program Name: Concours 2013-2014 - Soutien aux équipes de recherche Nominated Principal Applicant: Deena White Other Co-Investigators: Angèle Bilodeau, Denis Bourque, Jean-Louis Denis, Oscar Firbank, Frédéric Gilbert, Nasser Touati et al. Total amount: \$ 587,950 / 4 years

April 2014–March 2018 Co-Investigator Title: 2014-2017 Co-principal investigator Project title: The Information Assessment Method for e-learning. Funding Source: Canadian Medical Association. Nominated Principal Investigator: **Roland M Grad** (McGill) Co-principal investigator: **Pierre Pluye** Total Amount: \$99,000 (unrestricted grant)

June 2014 – May 2017 Co-Investigator Title: **Co-principal investigator**. Funding Source: Canadian Institutes of Health Research (CIHR) Program Name: Partnerships for Health Systems Improvement (PHSI) 2013-2014 Application ranked 2nd out of 53 applications reviewed by the Partnership for Health Care Improvement (PHE 201404A) Committee Nominated Principal Applicant: Catherine Hudon Co-Principal Applicant: Maud-Christine Chouinard Other Co-Investigators: Astrid Brousselle, Marie-France Dubois, Martin Fortin, Christine Loignon, **Pierre Pluye**, and Pasquale Roberge Total amount: \$ 400,000 / 3 years

2014-2019 Rousseau, C and 45 others. Santé, intervention sociale et immigration : des transformations globales aux adaptations locale » FQRSC - Soutien aux infrastructures de recherche des Instituts et des Centres affiliés universitaires du secteur social \$831,250.00.

Ian Shrier

2014-2015: (PI: Patrick Boissy) The effectiveness of equipment removal techniques during pre-hospital management of suspected c-spine trauma in football players. Co-Investigator (Ministère de l'Éducation, du Loisir et du Sport, Quebec: \$25,860).

2014-2015: (PI: Brett Thombs) Improving depression screening by reducing bias in accuracy estimates: An independent patient data meta-analysis of the PHQ-9. Co-investigator (CIHR: \$100,000)

Isabelle Vedel

2014-2016 CIHR – Canadian Institutes of Health Research. Operating Grant. “Understanding Surgical Recovery in Elderly Patients and its Association with Quality of care”. (SDA# 311650)
Co-investigator; NPI: S Bergman \$144,956

Mark Yaffe

2014 Engaging patients. Families, and professionals at bedside. St. Mary’s Hospital CARE, \$20,000

2014 Priorities for caregiver research in cancer care. CIHR Institute of Cancer Research, \$8,520

2014. The Black Box: A pilot study to improve communication between CLSC and Community Family Practitioners. McGill RUIS Centre for Excellence in Chronic Disease and Aging, \$10,000

2014-2015 Self-care to treat age related macular degeneration. FRSQ Réseau de recherché en santé de la vision. \$50,000
