

List of 2014 Conference Presentations

Neil Andersson

Andersson A, Inter-ministerial National Structural Intervention Project (INSTRUCT), a stepped-wedge national rollout of a HIV combination prevention initiative in Botswana. Conference: International Development and Research Centre (IDRC) Where: Ottawa , 2014-02-27

Andersson A, Community surveillance systems for health. Conference: Nigerian Evidence-based Planning in Health Systems Initiative (NEHSI) project advisory committee. Where: Abuja Nigeria, 2014-02-13

Gillian Bartlett

Dickinson LM, Ashe MC, **Bartlett G**, Dawes D, Kwan B, Meaney C, **Pluye P**. Advanced Methods for Primary Care Research: The Stepped Wedge Design. 42nd North American Primary Care Research Group Annual Meeting. New York, New York

Bartlett G, **Longo C**, **Rahimzadeh V**, **Crimi L**. New Methods to Engage Children in Health Care Research: The Case of Health Related Quality of Life (HRQoL). 42nd North American Primary Care Research Group Annual Meeting. New York, New York

***DeMore J**, **Bartlett G**, **Dimmer A**, **Fletcher A**, **Grad R**, **Nugus P**, **Pluye P**, **Rodríguez C**, **Salsberg J**, **Tellier PP**, **Vedel I**, **Ware M**, **Yaffe M**. P414 Moving on Up: Progress of a Family Medicine Graduate Training Program. 42nd North American Primary Care Research Group Annual Meeting. New York, New York

***DeMore J**, **Bartlett G**, **Dimmer A**, **Fletcher A**, **Grad R**, **Nugus P**, **Pluye P**, **Rodríguez C**, **Salsberg J**, **Tellier PP**, **Vedel I**, **Ware M**, **Yaffe M**. The McGill MSc Program in Family Medicine: Who are our students and where do they end up? Family Medicine Forum. Quebec City, QC

Gagon MP, Breton E, Payne-Gagnon J, Ghandour EK, Khoury L, Fortin JP, **Bartlett G**, Wiljer D. Dossier de santé personnel électronique au Canada: Résultats d'un atelier sur les notes de politique. XXVème congrès de l'ALASS - CALASS. Granada, Spain

Howard Bergman

Care of older persons in the community. CIHR/Newfoundland Ministry of Health «Best Brains» exchange (January 22, 2014)

Chair, Symposium on Good and Bad Inflammation in the Progression of Alzheimer's Disease. 13th International Geneva/Springfield Symposium on Advances in Alzheimer Therapy. Geneva, Switzerland (March 27, 2014).

Chair, Symposium on Caring for Patients with Dementia. 13th International Geneva/Springfield Symposium on Advances in Alzheimer Therapy. Geneva, Switzerland (March 27, 2014).

Caring for Patients with Dementia : Developing and implementing provincial Alzheimer strategies lessons learned from the Quebec Alzheimer plan. 13th International Geneva/Springfield Symposium on Advances in Alzheimer Therapy. Geneva, Switzerland (March 27, 2014).

Personalized medicine and the reorganization of health services: a view from Quebec and Canada. 13th International Geneva/Springfield Symposium on Advances in Alzheimer Therapy. Geneva, Switzerland (March 28, 2014).

Frailty a cautionary tale. Frailty in acute care. Banff (May 2, 2014)

Management of Canadian's Elderly and Chronic Diseases: State of the Art. Joint Forum on General Practice and Community Health. Shenzhen, China (July 5, 2014).

Case-Study – Community Management of Elderly with Multiple Comorbidities. Case Study – General Medicine and Community Health Joint Forum. Joint Forum on General Practice and Community Health. Shenzhen, China (July 6, 2014).

McGill Family Medicine: an academic discipline whose time has come. Botswana National Congress for Family Medicine. University of Botswana (September 9, 2014)

The approach to assessing and treating mental health of older persons in the community. Shenzhen Family Medicine Conference. Shenzhen, China (October 30, 2014)

The development and implementation of provincial Alzheimer Plans. CIHR/Nova Scotia Ministry of Health «Best Brains» exchange (October 30, 2014)

Lessons learned from developing, implementing and evaluating the Quebec Alzheimer Plan. G7 Summit Legacy Event. Tokyo, Japan (November 4, 2014)

Frailty and disability. International Workshop (Canada, Japan, China, Taiwan), Tokyo, Japan (November 5, 2014)

Implementation and Assessment of the Quebec Alzheimer Plan. Family Medicine Forum, Quebec City (November 12-14, 2014)

Alexandra De Pokomandy

de Pokomandy A CHIWOS. Talk for the 2014 Aboriginal AIDS Awareness Week, organised by the Canadian Aboriginal AIDS Network (CAAN), Montreal; December 2014 (30 minutes).

de Pokomandy A, Munoz M, Marcus V, Auger M, Hadjeres R, Allaire G, Rodriguez-Coutlée S, Charest L, Mayrand MH, Burchell A, De Castro C, Preziosi H, Coutlée F. Risk Factors for High Grade AIN in women living with HIV in Montreal, Results of the EVVA study. 29th Annual International Papillomavirus Conference and Public Health & Clinical Workshops, Seattle, August 2014

Kaida A, Carter A, Lemay J, ***O'Brien N**, Greene N, Nicholson V, Thomas-Pavanel J, Proulx-Boucher K, Lewis J, Benoit A, Tharao W, **de Pokomandy A**, Loutfy MR. Hiring, training, and supporting peer researchers: Operationalizing community-based research principles within epidemiological studies by, with, and for women living with HIV, 23rd Annual Canadian Conference on HIV/AIDS Research (CAHR 2014), St. John's, Newfoundland, May 2014.
*O'Brien N: PhD student under my supervision

Carter A, Greene S, Nicholson V, Dahlby J, **de Pokomandy A**, Loutfy MR, Kaida A. You know exactly where you stand in line...its right at the very bottom of the list": Negotiating place and space among women living with HIV seeking health care in British Columbia, Canada , 23rd Annual Canadian Conference on HIV/AIDS Research (CAHR 2014), St. John's, Newfoundland, May 2014.

Carter A, Green S, Nicholson V, ***O'Brien N**, Sanchez M, **de Pokomandy A**, Loutfy M, Kaida A, CHIWOS Research Team "It's like there's this glass ceiling": Exploring the benefits and tensions of operationalizing the Meaningful Involvement of Women Living with HIV/AIDS (MIWA) in the design and delivery of HIV/AIDS services. 20th International AIDS Conference (AIDS 2014). Melbourne, Australia. July 20-25th, 2014.
*O'Brien N: PhD student under my supervision

***O'Brien N**, Carter A, Lewis J, Greene S, Dayle J, Kwaramba G, Margolese S, Ménard B, Nicholson VJ, Smith S, Kaida A, **de Pokomandy A**, Loutfy MR. Understanding the meaning, availability and value of women-centred HIV care and its promise for health care delivery: A qualitative study among women living with HIV in Canada. A8569. 20th International AIDS Conference (AIDS2014). Melbourne, July 20-25, 2014.
*O'Brien N: PhD student under my supervision

Kaida A, Carter A, Lemay J, ***O'Brien N**, Greene S, Nicholson V, Thomas-Pavanel J, Proulx-Boucher K, Lewis J, Benoit A, Tharao W, **de Pokomandy A**, Loutfy MR. Operationalizing community-based research principles within epidemiologic studies by, with, and for women living with HIV. O5231. 23rd Canadian Conference on HIV/AIDS Research (CAHR). St-John's, May 1-4, 2014.

Roland Grad

Roland Grad, Edith Omon, Silvia Duong, Alain Boulet, Ellen Rosenberg, Vera Granikov,

Vinita D'Souza, Garud Iyengar, Guillaume Bessière, Julie Henrie, Isabelle Hebert, **Gwenaelle Bidet**, Marie-Thérèse Lussier, & **Pierre Pluye** (May 25, 2014). Délivrance et gestion des échantillons de médicaments dans les unités de médecine familiale du réseau McGill de recherche en soins de santé de première ligne. Journée scientifique du Réseau-1 Québec (Réseau de connaissances pour une première ligne forte et apprenante), Université Laval, Québec.

Roland Grad, **Pierre Pluye**, **Michael Shulha**, & **David Li Tang** (November 12, 2014). Does a Crowdsourcing Approach Help to Identify Candidate Clinical Practices for De-adoption? Family Medicine Forum, Quebec City.

Roland Grad, **Pierre Pluye**, Jamie Meuser, & Janice Harvey (November 12, 2014). Reflective Learning: CME in evolution. Family Medicine Forum, Quebec City.

Soumya Bindiganavile Sridhar, **Roland Grad**, & **Pierre Pluye** (November 22, 2014). How Can We Avoid Referrals? Actionable Factors to Prevent the Overuse of Specialists. NAPCRG 2014 Conference, North American Primary Care Research Group, New York.

Roland Grad, **Pierre Pluye**, **Michael Shulha**, & **David Li Tang** (November 23, 2014). Physician Ratings of Research-Based Synopses Can Identify Unnecessary Clinical Practices: A Crowdsourcing Approach. NAPCRG 2014 Conference, North American Primary Care Research Group, New York.

*Cristiano Martello, Guillaume Bessière, Magali Bigras, Alain Boulet, Karene Brenner, Emily Crist, **Silvia Duong**, Serge Goulet, **Roland Grad**, **Vera Granikov**, Martine Jean-Marie, Dounia Kayal, Bernardo Kremer, Christine Loignon, Lynn R McLauchlin, **Quynh Nguyen**, **Edith Omon**, Marjorie Rabiau, **Ellen Rosenberg**, **Soumya Bindiganavile Sridhar**, Jennifer Reoch, Bernadette Thibaudeau, & **Pierre Pluye** (November 23, 2014). What Do We Mean When We Say "This Patient is Complex"? NAPCRG 2014 Conference, North American Primary Care Research Group, New York.

***Hani M.E. Badran**, **Roland Grad**, **Pierre Pluye**, & Carol Repchinsky (November 24, 2014). Content Validation of the Information Assessment Method for Delivery of Educational Material: A Mixed Methods Study. NAPCRG 2014 Conference, North American Primary Care Research Group, New York.

Roland Grad, **Edith Omon**, **Silvia Duong**, Alain Boulet, **Ellen Rosenberg**, **Vera Granikov**, **Vinita D'Souza**, Garud Iyengar, Guillaume Bessière, Julie Henrie, Isabelle Hebert, **Gwenaelle Bidet**, Marie-Thérèse Lussier, & **Pierre Pluye** (May 30, 2014). Drug sample dispensing and management in the practice-based McGill Primary Health Care Research Network. Journée scientifique Isaac Tanenbaum, Department of Family Medicine, McGill University, Montréal.

Jeannie Haggerty

“La Atención Primaria en las Américas: Un estudio comparativo entre Canadá y América Latina” (Primary health care in the Americas), Congreso Nacional de Investigación en Salud, Cochabamba, Bolivia, 15-17 October 2014. (**Plenary address**, Spanish)

“Taller de en Atención Primaria en salud: Una mira evaluativa para pasar de la retórica a la acción” (Workshop on Primary Health Care: Evaluation tools to move from rhetoric to action”. Congreso Nacional de Investigación en Salud, Cochabamba, Bolivia, 15-17 October 2014.

“Transforming Primary Health Care to improve health and health equity outcomes: opportunities for cross-jurisdictional research and shared”, Canadian Institutes of Health Research (Institute of Population and Public Health (CIHR-IPPH) & Global Health Research Initiative), Invited panelist with Nancy Edwards, Erica Di Ruggiero, Helen Schneider (University of the Western Cape) and Rajani R. Ved (National Health Systems Resources Center in India Ministry of Health). 3rd Global Health System Research Symposium, Capetown, South Africa, 30 September – 3 October 2014.

“Patient Engagement: A Disruptive Innovation in Knowledge Translation and Research.” In: 2014 Primary Health Care Research Conference: Program & Abstracts. Primary Health Care Research and Information Service, Canberra, Australia. Phcris.org.au/conference/abstract/8032.” 23-25 July 2014. (**Keynote address**)

“Exploring leadership opportunities at NAPCRG”. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

“Exploring possibilities for Mexico-USA-Canada cross-border collaborations”, Forum, 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

“Meet Canada’s Community-Based Primary Health Care Research Teams!” Family Medicine Forum Annual Conference, Québec, QC, November 12, 2014.

Wong S, **Haggerty J**, Lee V. “Performance Anxiety: Can performance measurement and reporting help improve Canadian healthcare?” CIHR - Institute of Health Services & Policy Research Webinar – May 28, 2014.

Panel Moderator: Davidson H, Lévesque J-F, Tu J. “Attribution of Performance to Sectors of the Health system”. CHSPR 26th Annual Health Policy Conference, Vancouver, BC, February 24-25, 2014.

“Portrait of a primary care waiting room; implications for service redesign”. St.Mary’s Research Centre Seminar Series, Montreal, September 9, 2014.

“Portrait of a primary care waiting room: Implications for PHC practice redesign”, Research Seminar, McGill Department of Family Medicine, 16 January 2014

Brousselle A, Contandriopoulos D, Breton M, **Haggerty J**, Rivard M, Beaulieu MD, Perroux M, Champagne G. “Comment reformer le système de santé au Québec? Perceptions des acteurs-clés sur les forces, les problèmes et les solutions du réseau.» Journée scientifique au Centre de recherche de l’Hôpital Charles LeMoine, Longueuil, 3 décembre 2014.

Sanche S, Fortin M, **Haggerty J**. “Comparison Between Self-Reported and Administrative Data Diagnoses of Chronic Conditions.” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Richard L, Gunn J, Furler J, Crabtree B, **Haggerty J**, **Pluye P**, Miller W, Lévesque JF, Russell G. “Innovations to Improve Access to Primary Health Care for Vulnerable Populations: Results From an Environmental Scan Using a Social Media Approach.” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Scott C, Advocat J, Dahrouge S, **Haggerty J**, Harris M, Lévesque JF, Lewis V, Miller W, Davies G, Richardson L, Russell G, Stokes N. “Transforming Primary Health Care Using Participatory Deliberative Processes for Collaborative community Decision-Making Through IMPACT (Innovative Models Promoting Access-to-Care Transformation).” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

***Redding N**, **Haggerty J**, **Dumas-Pilon M**, Dupiton, A. “Understanding Women’s preferences, Choices and Experience of Group versus Individual Prenatal Care: A Research Proposal.” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

***Redding N**, **Haggerty J**, Dupiton A, **Dumas-Pilon M**, “The perspectives and experiences of women receiving centering pregnancy prenatal care: a narrative review.” Family Medicine Forum, Quebec City, QC, November 13-15, 2014.

Haggerty J, Bouharaoui F, Hudon C, Fortin M. “Patient centered care: More than feel-good care.” Canadian Association for Health Services and Policy Research (CAHSPR), Toronto, Ontario, May 13-15, 2014.

Beaulieu C, Sanche S, Breton M, Fortin M, **Haggerty J**. “Does improving services availability in primary care clinic result in better patient assessment of accessibility?” Canadian Association for Health Services and Policy Research (CAHSPR), Toronto, Ontario, May 13-15, 2014.

Contandriopoulos D, Brousselle A, Breton M, Beaulieu M-D, **Haggerty J**. “Could primary care NPs turn out to be a disruptive innovation?” Canadian Association for Health Services and Policy Research (CAHSPR), Toronto, Ontario, May 13-15, 2014.

Haggerty J, Bouharaoui F, Fortin M, Lévesque JF, Loignon C, Wong S. “Development of Social Vulnerability Index for Assessment of Primary Healthcare Equity”. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Breton M, Boivin A, **Haggerty J**, Francoeur D, Chartrand E, Laroche D. “Assessing the Performance of Various PHC Organizations in Quebec Based on Their Organizational Attributes and Patients’ Experience of Care.” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Loignon C, Bedos C, Fortin M, Barbeau D, Sanderson D, **Haggerty J**. “Sense of Place and Chronic Illness Care: Echoes from Ethnographic Fieldwork in Primary Care Practices.” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Contandriopoulos D, Brousselle A, Breton M, Beaulieu MD, Brault I, **Haggerty J**. “Will Primary Care NPs Turn Out to be a Disruptive Innovation?” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Haggerty J, Lewis V, Russell G, **Pluye P**, Gunn J, Lévesque JF, Scott C, Dahrouge S, Harris M, Stocks N, Miller W, Crabtree B. “Solving the Wicked Problem of Improving Access to Primary Care. A Workshop from the IMPACT Program”. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Beaulieu MD, **Haggerty J**, Tousignant P, Barnsley J, Hogg W, Geneau R, Hudon E, Duplain R, Denis JL, Bonin L, Del Grande C, Dragieva N. “Characteristics of Primary Care Practices Associated with High Quality of Care”. Family Medicine Forum Annual Conference, Quebec City QC, November 13-15, 2014.

Pluye P, **Haggerty J**, Dumont S, Lussier MT, Hudon C, **Bergman H**. “Quebec Innovations Linking Family Medicine Practice and Research”. Family Medicine Forum Annual Conference, Quebec City QC, November 13-15, 2014

Susan Law

Adatia S, Law S, Haggerty J. “Implementing a Quiet Time Intervention on a Maternity Ward: Barriers, Benefits and Patient Experience – A proposed Evaluation”. 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Ormel I, **Law S**. “Caregiving is like on the job training but nobody has the manual” – what caregivers say about their roles, responsibilities, and interactions with healthcare professionals. Oral presentation. 12th International Conference on Communication in Healthcare, Amsterdam, Netherlands. October 1, 2014.

Law S, Miller L. From patient engagement to experience-based co-design. Oral presentation. Patient Experience Summit 2014, Toronto, Ontario. September 23-24, 2014.

Law S. DIPEX Canada – A Progress Report. Oral presentation. Qualitative Research Symposium on Patient Experiences. University of Kyoto, Japan. Sunday July 20, 2014.

Law S, Lucius-Hoene G, Ormel I, **Tonsaker T**, Breuning M. Insights for healthcare professionals on patient experience of research. Distributed paper. International Sociology Association World Congress. Yokohama Japan, July 13-19, 2014.

Adatia S, **Law S**. Implementing a quiet time on a maternity ward. Oral presentation. CAHSPR Conference, Toronto ON. May 11-15, 2014

Peter Nugus

Nugus, P. (2014). Les politiques de transfert des patients: L'amélioration du continuum des soins. Presentation to the directorates of performance evaluation and urgent care. Ministère de la Santé et des Services Sociaux, June 18, Québec City, QC, Canada.

Nugus, P. (2014). The learning journey of emergency clinicians: Developing performance indicators of organizational work. Presentation to the meeting of Directors of Canadian Emergency Medicine Residency Training Programs, June 1, Ottawa, ON, Canada.

Nugus, P. (2014). La coordination des soins entre les secteurs de santé: De la recherche aux politiques et la pratique. Presentation to the directorates of continuity of care and primary care. Ministère de la Santé et des Services Sociaux, May 28, Québec City, QC, Canada.

Nugus, P. (2014). Complexity and care coordination. Centre for Research on Activity, Development & Learning (CRADLE), April 17, University of Helsinki, Finland.

Nhan, C., Bank, I., Fisher, R., Azzam, M., **Nugus, P.** & Young, M. (2014). Interdisciplinary medicine requires interdisciplinary training: How are Canadian residency programs training for crises? Presentation of Flanders Visiting Professor in Medical Simulation, McGill University, October 23.

Nugus, P. (2014). Using ethnography to describe and evaluate care coordination. ACCESS, the Douglas Institute, November 27.

Nugus, P. (2014). Organizing the care for patients who don't quite fit: Using ethnography to understand power relations in health care. Lady Davis Institute, Jewish General Hospital, Montréal, Canada, September 10.

Nugus, P. (2014). Researching organizational change, Emergency physicians meeting, Royal Victoria Hospital, August 26.

Nugus, P. (2014). Role modeling emergency department flow: Implications of coordination of care for Medical Education, April 10. Centre for Medical Education, McGill University, Montréal, Canada.

Khandelwal, A., **Nugus, P.**, Elkoushy, M., Cruess, R., Cruess, S., Smilovitch, M. & Andonian, S. (2014). Professionalism revisited in the context of social media. April 10. Centre for Medical Education, McGill University, Montréal, Canada.

2014 **Invited speaker**, McGill new faculty orientation: Adjusting to and Maximizing your Experience of McGill

2014 (successful) Conference bid and prospective organizing chair, Organized bid for Montreal to host the 2018 International Conference on Organisational Behaviour in Health Care and would be the Conference Committee Chair (With Dr. **Charo Rodriguez**, Family Medicine, and other colleagues from the McGill Faculty of Management, U de M and HEC)

Schoenmakers, A., **Nugus, P.** & Veugelers, R. (2014). Politics and power in the emergency department: A first international comparative study. European Congress of Emergency Medicine, September 28-October 1, Amsterdam, the Netherlands.

Nugus, P., B-Lajoie, M-R., Nemeth, J., Mah, R., Bandiera, G., Troquet, J-M. (2014). Les politiques de transfert des patients: Une étude ethnographique. Conférence de la Société Canadienne de Sociologie en Santé, les 5-6 mai, Montréal, Canada.

Nugus, P., **Doucet, A.**, Morales, J., Rousseau, H., Evans, A., Caudarella, A., **Johnson, K.**, Chatelain, J., Beukeboom, C., **MacCaulay, A.** (2014). "Re-evaluating educational assessment: Using ethnography to assess the learning of community health workers in Ecuador". Ottawa Conference (Educational and performance assessment in health care). May 25-29, Ottawa, Canada (Poster presentation based on refereed abstract).

Nugus, P., **Doucet, A.**, Morales, J., Rousseau, H., Evans, A., Caudarella, A., **Johnson, K.**, Chatelain, J., Beukeboom, C., **MacCaulay, A.** (2014). "Reconciling negotiated learning and content expertise: Educational action research in the training of Community Health Workers in Ecuador". Canadian Conference on Medical Education. April 25-29, Ottawa, Canada (Presentation based on refereed abstract).

Nugus, P., **Doucet, A.**, Morales, J., Rousseau, H., Evans, A., Caudarella, A., **Johnson, K.**, Chatelain, J., Beukeboom, C., **MacCaulay, A.** (2014). "Training Community Health Workers in Ecuador: Using ethnography to evaluate organisational behaviour". International Conference on Organisational Behaviour in Health Care. April 23-25, Copenhagen, Denmark (Presentation based on refereed abstract).

Nugus, P., Schoenmakers, A. & Braithwaite, J. (2014). "Relational effects in emergency department care: Organizational behavior as actor-networks". International Conference on Organisational Behaviour in Health Care. April 23-25, Copenhagen, Denmark (Presentation based on refereed abstract).

Phillips, R., Short, A., Kenning, A., Dugdale, P., **Nugus, P.**, McGowan, R. & Greenfield, D. (2014). Fool's gold or a pot of gold at the end of the rainbow? The potential outcomes of the

patient-as-professional role to deliver patient centred care. 31st International Conference Quality and Safety of Health Care, October 5-8, Rio de Janeiro, Brazil (Presentation based on refereed abstract).

Paquin, H., Bank, I., Nguyen, L., Fisher, R., Young, M. & **Nugus, P.** (2014). Leadership in crisis situations: Merging the interdisciplinary silos. Conference of the Canadian Association of Emergency Physicians (CAEP). May 31 – June 4, Ottawa, Canada.

Paquin, H., Bank, I., Nguyen, L., Fisher, R., Young, M. & **Nugus, P.** (2014). Leadership in crisis situations: Merging the interdisciplinary silos. Association of Medical Educators of Europe (AMEE), August 30 – September 3, Milan, Italy.

Nugus, P., Doucet, A., Morales, J., Rousseau, H., Evans, A., Caudarella, A., Johnson, K., Chatelain, J., Beukeboom, C., MacCaulay, A. (2014). "Reconciling negotiated learning and content expertise: Educational action research in the training of Community Health Workers in Ecuador". April 10. Centre for Medical Education, McGill University, Montréal, Canada.

Pierre Pluye

Bush PL, Pluye P, Loignon C, Granikov V, Parry S, Repchinsky C, Haggerty JL, Bartlett G, Pelletier JF; Wright MT, Opatrny L, Macaulay AC. Improving Health Organization Practices Through Participatory Research – Is it Worth it? A Participatory Systematic Mixed Studies Review. – Is it Worth it? A Participatory Systematic Mixed Studies Review. A Participatory Systematic Mixed Studies Review. 42nd North American G. Bartlett-Esquilant - 42 - March 15, 2015 Primary Care Research Group Annual Meeting. New York, New York

Pluye P, Grad R, Repchinsky C; Tang DL, Meuser J, Stephenson R, Bartlett G. Construct Validity of the Information Assessment Method (IAM): To What Extent is the IAM Generalizable Across Different Types of Clinician and Information? 42nd North American Primary Care Research Group Annual Meeting. New York, New York

Khanassov V, Pluye P, Loignon C, Descôteaux S, Haggerty J, Russell G, Gunn J, Lévesque JF. “Organizational Innovations Improving Access to Community-Based Primary Health Care for Vulnerable Populations : A Scoping Review.” 42nd North American Primary Care Research Group (NAPCRG), New York, NY, November 21-25, 2014.

Vera Granikov, Pierre Pluye, Carol A. Repchinsky, Lynn Dunikowski, Francesca Fratti, Linda Shohet, Lillian Vineberg, Gillian Bartlett, Bernard Burnand, Sophie Desroches, Cristiane Galvao, Roland M Grad, France Légaré, Florence Millerand, Jo-Anne Hutsul, Lorie Kloda, Benoit Rihoux, Michael Shulha, David Tang (June 18, 2014). Uncovering the outcomes of the use of online consumer health information: A participatory systematic mixed studies review. Canadian Health Libraries Association Conference, Montreal, QC, Canada.

Pierre Pluye, Reem El Sherif, Genevieve Gore, Vera Granikov, & Quan Nha Hong (June 27, 2014). Facilitating the identification of qualitative, quantitative and mixed methods studies:

Pilot evaluation study of a database filter for mixed studies reviews. Mixed Methods International Research Association (MMIRA) conference, Boston, USA.

***Quan Nha Hong, & Pierre Pluye** (June 27, 2014). Can mixed methods designs be applied to mixed studies reviews? Mixed Methods International Research Association (MMIRA) conference, Boston, USA.

Marie-Thérèse Lussier, M. Labrecque, C. Rhéaume, **P. Pluye, RM Grad**, A. Lessard, FB Diallo, **J. Gagnon, V. Granikov**, & T. Bouhali (July 1, 2014). Drug Sample Management and Utilization in Academic Family Medicine Teaching Units of the Réseau-1 Québec PBRN: Lessons Learned. North American Primary Care Research Group - Practice-based Research Network (NAPCRG-PBRN) Conference, Bethesda, USA.
