

Director of Faculty Development

Chair of Faculty Development Committee

CATHERINE JARVIS, MD, FCFP is an Assistant Professor in the Department of Family Medicine. She practices and teaches family medicine at the CLSC Cote-des-Neiges, a McGill University affiliated teaching unit.

Dr. Jarvis has held several leadership roles including Faculty Development Site Lead at the CLSC Côte-Des-Neiges, McGill Family Medicine Faculty Development Committee Member, and Medical Director of the Herzl Family Practice Centre's Obstetrical Intake Clinic. She is currently the Director of Faculty Development for McGill's Department of Family Medicine.

Current academic interests: faculty development, vulnerable populations, innovations in teaching and learning.

"Curiosity is the root of all learning. I enjoy faculty development because it invites questioning. It fosters a curiosity in learners, in the process of teaching, and in the development of professionals."
