

Webinar #4

Global Primary Care Delivery Webinar Series

Wed April 21, 2021

12:00pm -1:00pm EST

“Lessons from indigenous primary care and wellbeing”

A conversation about collaborate care models that balance Indigenous healing and primary care with **Dr. Karen Hill MD**, and **Dr. Veronica McKinney MD, CCFP**.

Dr. Karen Hill co-founded Juddah's Place, a clinical practice that also trains medical residents and apprentices of traditional medicine.

Dr. Veronica McKinney is the Director of Northern Medical Services at the University of Saskatchewan College of Medicine.

Moderated by **Dr. Alex McComber MEd**
Assistant Professor of Family Medicine,
McGill University
