

New models of patient-oriented primary care

Wed March 17, 2021, 12pm – 1pm EST

Dr. Deneen Voight

UnitedHealthcare Group (USA), Executive
Vice President, Global Research &
Development

Dr. Al Mulley

Director and Professor at The Dartmouth
Institute; Former Fellow, The Kings Fund
(UK)

Margaret Mulley

Former Partner, Deloitte & Touche, LLP,
Lecturer, Tuck School of Business,
Dartmouth College

This talk will convene perspectives from
the USA and UK regarding virtual expert
care and other mechanisms to facilitate
patient self-management and decision-
making.
