

**Faculty Development Committee member**

**Associate Program Director for Assessment and Evaluation**

**LYNN MCLAUCHLIN, MD, CCFP** is currently Associate Program Director for Assessment and Evaluation at the Department of Family Medicine and is an Assistant Professor in the Department.

Dr. McLauchlin practiced and taught family medicine at the Family Medicine Centre at St. Mary's Hospital Centre for 23 years and served there as Site Residency Program Director for eight years.

Current academic interests: improving assessment of Family Medicine residents to enhance learning including giving feedback, coaching, creation of learning plans and improving the teaching of communication and the patient-centred clinical method.

*"A quote I love is 'In the beginner's mind there are many possibilities, but in the expert's mind there are few.' As years pass and we gain skill in teaching, how do we stay open to improvement, how do we keep the process of teaching fresh and alive?"*
