

MCGILL FAMILY MEDICINE EDUCATIONAL RESEARCH GROUP (FMER) ADVANCED SEMINARS

MCGILL DEPARTMENT OF FAMILY MEDICINE, RESEARCH DIVISION
& MCGILL FAMILY MEDICINE EDUCATIONAL RESEARCH GROUP (FMER)
PRESENT:

“Assessing an Undergraduate Medical Education Innovation: The First Year of the McGill Longitudinal Family Medicine Experience”

Dr. Charo Rodriguez & Dr. Leonora Lalla

Dr. Charo Rodriguez MD, PhD is Associate Professor at the Department of Family Medicine, McGill University, and Director of the McGill Family Medicine Educational Research Group (FMER).

Dr. Leonora Lalla MDCM, CCFP is Assistant Professor, Undergraduate Program Director, and Longitudinal Program Director also at the Department of Family Medicine, McGill University.

In this seminar, Drs. Rodríguez and Lalla will first describe the *raison-d'être* and main features of the Longitudinal Family Medicine Experience (LFME) course, the undergraduate medical education innovation at the core of the new MDCM curriculum implemented at McGill University in the academic year 2013-2014, and then they will share and discuss about the results and practical implications of the initial LFME course evaluation carried out during the first year of its implementation.

Thursday May 7, 2015
From 12:00-1:30 p.m.
Department of Family Medicine
