

**Department of Family Medicine**

**Presents:**

**Knowledge Translation: Where are we?  
And where do we go from here?**

**With:**

**Dr. Ian Graham, Associate Professor, School of  
Nursing at the University of Ottawa; Senior Scientist at  
Ottawa Hospital Research Institute; and past Vice  
President of Knowledge Translation at CIHR**

**This presentation will describe some of the different conceptualizations of  
'knowledge translation' found in the biomedical, clinical, health services and  
population health fields, identify key aspects of knowledge translation, and offer  
a framework to help reconcile the different perspectives. The presentation will  
also consider the role of KT in Canada and discuss where the field may be going  
in the future along with opportunities and challenges it may face.**

**Wednesday February 13, 2013**

**From: 12:00-1:30 p.m.**

**Department of Family Medicine – 515 Pine Avenue West**
