3. Clinique de mémoire : les paramètres organisationnels. Ministère de la santé et des services sociaux. I Vedel, Howard Bergman are co-authors. 2014

2. Presentation

2.1. Invited presentations

   Bergman H, Vedel I
   Title: Caring for Patients with Dementia: Developing and implementing provincial Alzheimer strategies lessons learned from the Quebec Alzheimer plan.
   Geneva, Switzerland (March 27 2014).

   Title : Projets d’implantation ciblée en GMF pour les personnes atteintes de la maladie d’Alzheimer et les autres maladies apparentées et leurs proches. L’implantation et son évaluation : une synergie nécessaire et bénéfique.
   May 8, Montreal, Qc, Canada (May 8 2014)

3. CIHR “Best brains exchange”.
   Title: Practice to Research-Evaluation to Policy: The Canadian Team for healthcare services/system improvement in dementia care.
   Halifax, NS (October 14 2014)

   Vedel I, Bergman H
   Title: The development and implementation of provincial Alzheimer Plans.
   Nova Scotia (October 30 2014)

5. G7 Summit Legacy Event.
   Bergman H, Vedel I
   Lessons learned from developing, implementing and evaluating the Quebec Alzheimer Plan. Tokyo, Japan (November 4 2014)

6. 2e Congrès québécois sur la maladie d’Alzheimer et les maladies apparentées
   Vedel I, Couturier Y
   Title : Plan d’action pour la maladie d’Alzheimer : premiers résultats de la recherche évaluative des projets d’implantation ciblés du MSSS.
   Quebec City (November 5 2014)

7. Family Medicine Forum
   Bergman H, Vedel I
   Title: Implementation and Assessment of the Quebec Alzheimer Plan.
   Quebec City (November 12-14 2014)

8. Geriatric Ground Round. Department of Medicine, division of geriatrics, McGill University.
   Vedel I
   “Implementing Innovative Approaches for Patients with Alzheimer’s Disease and related disorders: Evaluation of the Quebec Alzheimer Plan”,
   Montreal, Qc (January 20 2015)

9. 35th Annual Scientific Meeting of the Canadian Geriatrics Society
   Vedel I
   Title: Developing, Implementing and Evaluating Alzheimer’s Initiatives and Strategies: Lessons Learned from Quebec, Ontario and Nova Scotia
   Montreal, Qc (April 16-18 2015)

10. The 1st Annual Dr. Peter McCracken Memorial Lecture in Geriatric Medicine.
    Bergman H, Vedel I
    Title: The Management of Older Persons with Dementia: The Challenge of Coordinated Models of
11. Alberta Health Services.
   Bergman H, Vedel I
   Title: Developing and Implementing Provincial Alzheimer Strategies – Lessons learned from the
   Quebec Alzheimer Plan.
   Alberta (May 5 2015)

   Vedel I
   Title : Implantation du plan Alzheimer dans les GMF et UMF au Québec.
   Montreal, Qc (May 22 2015)

13. 2015 Canadian Association for Health Services and Policy Research (CAHSPR).
   Vedel I
   Title: Improving care for older adults and individuals with dementia in the French and Canadian
   health care systems: insights and challenges in evaluating policy interventions.
   Montreal, Quebec, Canada (May 27, 2015)

14. Canadian Geriatric Society
   Bergman H, Vedel I
   Title: Developing and implementing provincial Alzheimer Strategies: Lessons learned from the
   Quebec Alzheimer Plan
   Calgary, AL (October 2015)

15. Événement de clôture des projets Alzheimer du RUIS Sherbrooke
    Arsenault-Lapierre G
    Title : Présentation des résultats préliminaires de la recherche évaluative, étude quantitative
    Granby, QC (October 2nd 2015)

16. Journée d'échange du RUIS Université de Sherbrooke
    Arsenault-Lapierre G
    Title : Présentation des résultats préliminaires de la recherche évaluative, étude quantitative
    Quebec, QC (October 23 2015)

17. Journée Bilan du RUIS Université de Montréal
    Arsenault-Lapierre G
    Title : Présentation des résultats préliminaires de la recherche évaluative et préconisations
    Montreal, QC (October 30 2015)

18. Academy of Health Sciences
    Bergman H, Vedel I
    Title: Developing and implementing provincial Alzheimer Strategies: Lessons learned from the
    Quebec Alzheimer Plan
    Ottawa, ON (Sept 17, 2015)

    Vedel I, Bergman H
    Title: Presentation of the Canadian team for healthcare services/system improvement in Dementia
    Care.
    Ottawa, ON (Sept 30-Oct 1st 2015)

20. Meeting of the Canadian Association on Gerontology: From Possibility to Practice in Aging: Shaping
    a Future for All. CAG 2015.
    Bergman H, Vedel I
    Panel: Provincial Dementia Strategies – Lessons Learned. 44th Annual Scientific and Educational
    Calgary, Alberta (October 23-25 2015)
21. St-Mary's hospital center
Vedel I
“Innovative Approaches for Patients with Alzheimer’s Disease and related disorders: The Canadian Team for Healthcare Services/System Improvement in Dementia Care,” Montreal, Qc (November 24 2015).

Evaluating Innovative Approaches for Patients with Alzheimer’s Disease and related disorders. Ottawa, ON (November 25-26, 2015)

Title: Initiative ministérielle sur la maladie d’Alzheimer et autres troubles neurocognitifs majeurs : Une approche inspirée des meilleures pratiques cliniques et organisationnelles (Feb 24, 2016)

24. BrainXchange and Canadian Consortium on Neurodegeneration in Aging (CCNA)’s national webinar
Title: Making culture change work: An integrated approach
Dupuis, S., & McAiney, C.A.
Webinar (March, 2016)

Vedel I
Title :Le plan Alzheimer au Québec : de son implantation à son évaluation.
Lyon, France, (June 8-10 2016)

26. Séminaires de l’IRSPUM Institut de Recherche en Santé Publique de l’Université de Montréal
Vedel I
Title : Implantation du plan Alzheimer dans les GMF : résultats de la recherche évaluative Montréal, Qc (Sept 21, 2016)

Godard-Sebillotte* C, Vedel I.
Title: Enhancing the capacity of primary care professionals: does it have an impact on urgent care use of persons with dementia?
Vancouver, BC. (Oct 6, 2016)

Godard-Sebillotte* C, LeBerre* M, Trottier* M, Vedel I
Title: Do interventions specifically addressing the reasons leading persons with dementia to the Emergency Room have an impact on urgent care use? A systematic mixed studies review
Vancouver, BC. (Oct 6, 2016)

Vedel I, Sourial N*, Arsenault-Lapierre G, Bergman H.
Title: Effects of a Provincial Initiative on the Management of Patients with Dementia in Family Medicine Groups
Vancouver, BC. (Oct 6, 2016)

Validation of two questionnaires on the knowledge, attitudes and practices of primary care clinicians

Vedel I, Sourial N*, Arsenault-Lapierre G, Bergman H.
Title: Enhancing the capacity of primary care professionals: does it have an impact on urgent care use of persons with dementia?
Vancouver, BC. (Oct 6, 2016)
toward the management of patients with dementia
Vancouver, BC. (Oct 6, 2016)

31. McGill, Department of Family Medicine, Departmental retreat
   Vedel I
   Title: Care of the elderly and implementation of the Alzheimer plan
   Two thematic workshops. 6hrs. 18 participants
   Montreal, Qc (October 2016)

32. Ministère de la Santé et des Services sociaux : Initiative ministérielle sur la maladie d’Alzheimer et autres troubles neurocognitifs majeurs - Rencontre pré-congrès Alzheimer
   Vedel I, Couturier Y
   Title : Bilan de la recherche et éléments gagnants pour un déploiement réussi
   Sherbrooke, Qc (Nov 2, 2016)

33. 3e Congrès québécois sur la maladie d’Alzheimer et les maladies apparentées
   Vedel I, Couturier Y.
   Title: Implantation du plan Alzheimer dans les GMF : résultats de la recherche évaluative
   Sherbrooke Qc (Nov 4, 2016)

34. Research Institute for Aging Culture Change Exchange
   Title: Considering culture change? Some ideas for getting started
   McAiney, C., & Dupuis, S.
   Waterloo, ON (December, 2016)

35. Gouvernement du N.-B.
   Pakzad S
   Title: Diagnostic et prise en charge de la démence au NB
   Fredericton, NB (2016)

36. Jeu d'Acadie
   Pakzad S
   Title : Soutenir la santé mnésique
   Shediac, NB (2016)

37. École d'été de perfectionnement sur le vieillissement
   Pakzad S
   Title : Diagnostic de la démence au NB
   Shippagan, NB (2016)

38. Réseau de Recherche en Soins Primaires de l’Université de Montréal.
   Vedel I
   Title: Évaluer les modèles de soins implantés en première ligne pour les patients avec maladie d’Alzheimer ou apparentées et leurs aidants
   Montreal, Qc (22 mars 2017)

39. Research Institute for Aging Culture Change Exchange
   Title: Discovery: Exploring when we are at our best
   McAiney, C., & Dupuis, S.
   Waterloo, ON (March, 2017)

40. 31st Annual Geriatric Medicine Refresher Day
   Title: Culture change in long-term care and dementia: What is it and how to start
   Dupuis, S., & McAiney, C.
   London, ON (May, 2017)

41. 85e Congrès de l’ACFAS Association francophone pour le savoir
Title : Les conditions nécessaires à une diffusion passive fructueuse d’un guide de pratiques en troubles neurocognitifs au sein de la première ligne : une étude à méthodologie mixte
Montréal, Qc (May 10 2017)

42. Canadian Team for Healthcare Services and System Improvements in Dementia Care: Quebec, Ontario and New Brunswick stakeholder conference.
Vedel I
Title: Implantation du plan Alzheimer dans les GMF : résultats de la recherche évaluative
Montreal, Qc (June 16, 2017)

43. Canadian Team for Healthcare Services and System Improvements in Dementia Care: Quebec, Ontario and New Brunswick stakeholder conference.
Vedel I
Title: Implementation of the Quebec Alzheimer Plan in primary care: Results of the research evaluation
Montreal, QC (June 16, 2017)

44. Conférence Midi Centres intégrés de santé et de services sociaux (CISSS) de Montérégie-Centre
Godard-Sebillotte* C, Vedel I
Title: Surveillance de la maladie d’Alzheimer et des autres troubles neurocognitifs majeurs. Projet Futurs.
Longueil, Québec, Canada.

45. 21st IAGG World Congress of Gerontology and Geriatrics
Vedel I, Arsenault-Lapierre G, Sourial N, Bergman H
Title: Alzheimer Plan: Impact on clinicians’ knowledge, attitudes and practice and quality of dementia care
Innov Aging (2017) 1 (suppl_1): 1029. DOI: https://doi.org/10.1093/geroni/igx004.3747
San-Francisco, USA (July, 23-27 2017)

46. Association France-Canada
Pakzad, S
Title : Diagnostic de la démence pourquoi et comment.
Moncton, NB

Bergman H, Vedel I, Couturier Y
Title: Organizing health care systems optimally for dementia patients
Montreal, QC (October 1-3)

49.

50. NAPCRG 2018
Marino M, Godard-Sebillotte C, Karunanthan S, Morley C, Sourial N, Williamson T.
Title: How to Get High Quality Evidence from Observational Studies: Design, Analysis, Interpretation and Reporting Considerations (Workshop)
Chicago, USA (November 9-13)

Vedel I, Bergman H
Title: Assessing Care Models Implemented in Primary Health Care for persons with Alzheimer’s Disease and Related Disorders: Ontario’s preliminary results
Peterborough, ON (October 24-25)

Main Audience : Researchers / Decision / Policy makers / Knowledge users / Clinicians / Patients and Caregivers representatives.

2.2. Other presentations

2014

7. Godard-Sebillotte* C, Vedel I. Are the collaborative care models implemented in primary health care in three Canadian provinces efficient? 2014 North American Primary Care Research Group annual

12. Khanassov V*, Vedel I. Patient-centered approach to the care of patients with dementia and their caregivers in primary care: A systematic mixed studies review and meta-analysis. Isaac Tannenbaum Resident Research Day, McGill University, May 29 2015. This communication received the Best presentation award. $500

   NPI: B Brossard, D White
   Co-investigator: S Billaud, Y Couturier, S Fortin, C-P Gaudet, A Leibing, C Quarré, P Roy, Z Sakr
   36 500 $

4. 2016-2017
   CIHR - Canadian Institutes of Health Research. Knowledge synthesis grant
   “Health impacts and characteristics of deprescribing interventions in older adults - a systematic review” KRS-366106
   NPI: E Kroger
   Co-investigator: I Vedel
   $100,000
5. 2016-2018
   Ontario SPOR Support Unit and the Labarge Optimal Aging Initiative
   “Evaluating a hospital-to-home transitional care intervention for older adults with multimorbidity and
depressive symptoms: a pragmatic effectiveness-implementation trial.”
   NPI: Drs. Maureen Markle-Reid and Carrie McAiney (McMaster University)
   Co-investigator: I Vedel
   $1,020,000

6. 2016-2017
   RQRV – Réseau Québécois de Recherche sur le vieillissement.
   “Effectiveness of transitional care interventions for geriatric patients in long-term care facilities: a
mixed-method systematic review, meta-analysis and integrative synthesis”.
   NPI: Machelle Wilchesky. PI: I Vedel
   $10,700

7. 2018-2020
   RQRV – Réseau Québécois de Recherche sur le vieillissement
   “Development of indicators to compare patterns of care and health service use for older persons with
multimorbidity in Quebec and Ontario”
   NPI: I Vedel
   Investigators: C Sirois, A Quesnel, P Pluye
   Collaborators: E Pelletier, G Arsenault-Lapierre, C Godard-Beillotte, Q Nha Hong, N Sourial
   $20,000

8. 2018-2022
   CRSH – Conseil de recherches en sciences humaines du Canada
   « Les compétences collaboratives et stratégies de développement professionnel des travailleurs
sociaux œuvrant depuis peu dans des organisations médicales de première ligne »
   NPI: Y Couturier
   Investigators: F Aubry, N Delli Colli, I Dumont, D Gagnon, P Maubant
   $182,987

9. 2018
   Réseau de recherche en santé des populations du Québec (RRSPQ)
   « Le Plan Alzheimer du Québec: éthique publique de la maladie d'Alzheimer et des autres troubles
neurocognitifs majeurs »
   Investigators: M. Guillette, O. Moreau, Y.Couturier, and N. Nicol-Clavet
   $4,000

10. 2019
    Older adults’ trajectories of health and social care in two Canadian provinces.
    CIHR Project Grant: Fall 2018 and Spring 2019
    2019-10-01 - 2022-09-30
    $555,176
    Principal Applicants: Vedel I, Quesnel-Vallée A, Rice K, Bronskill S, Couturier Y, Dionne E,
    Holyoke P, McKay R, McNeil H.
4.1.2. Students

1. 2015
   Conseil de recherche en sciences humaines du Canada (CRSH)
   Programme de bourses d'études supérieures du Canada – Suppléments pour études à l'étranger
   Michael-Smith
   Maxime Guillette
   $6,000, declined

2. 2015-2016
   Fonds de recherche du Québec - Société et culture (FRQSC)
   Bourse à la maîtrise (B1)
   Maxime Guillette
   $15,000, declined

3. 2014-2015
   Conseil de recherche en sciences humaines du Canada (CRSH)
   Programme de bourses d’études supérieures du Canada au niveau de la maîtrise Bourses d’études supérieures du Canada Joseph-Armand-Bombardier
   Maxime Guillette
   $17,500

4. 2014-2018
   Fonds de recherche du Québec - Santé (FRQS).
   Doctoral Scholarship.
   Vladimir Khanassov
   $60,000, declined

5. 2016
   Canadian Frailty Network Summer Student Awards Program
   Mathilde Noël-Thériault
   $4,500

6. 2016-2017
   Canadian Frailty Network Interdisciplinary Fellowship Program
   Mylène Michaud
   $17,500

7. 2016 – 2017
   Canadian Frailty Network Interdisciplinary Fellowship Program.
   Claire Godard-Sebillotte
   $17,500, declined

8. 2016 – 2019
   Alzheimer Society Research Program (ASRP) Doctoral Award.
   Claire Godard-Sebillotte
   $75,000, declined

9. 2016-2019
   The Vanier Canada Graduate Scholarships, Canadian Institutes of Health Research (CIHR), Canada.
Doctoral Scholarship
Claire Godard-Sebillotte
$150,000

10. 2016-2019
Conseil de recherche en sciences humaines du Canada (CRSH)
Programme de bourses d’études supérieures du Canada au niveau du doctorat - Bourses d’études supérieures du Canada Joseph-Armand-Bombardier
Jessie Caron-Audet
$105,000

11. 2016-2019
Fonds de recherche du Québec - Société et culture (FRQSC)
Bourse de doctorat en recherche (B2)
Maxime Guillette
$60,000, declined

12. 2016-2019
Alzheimer Society Research Program (ASRP) Doctoral Award.
Maxime Guillette
$75,000, declined

13. 2016-2019
Conseil de recherche en sciences humaines du Canada (CRSH)
Programme de bourses d’études supérieures du Canada au niveau du doctorat - Bourses d’études supérieures du Canada Joseph-Armand-Bombardier
Maxime Guillette
$105,000

14. 2017
Canadian Institutes of Health Research (CIHR), Canada.
Doctoral scholarship
Nadia Sourial
$80,000, declined

15. 2017
Alzheimer Society Research Program (ASRP) Doctoral Award.
Nadia Sourial
$75,000, declined

16. 2017 – 2020
The Vanier Canada Graduate Scholarships, Canadian Institutes of Health Research (CIHR), Canada
Doctoral Scholarship
Nadia Sourial
$150,000

17. 2017
Fonds de recherche du Québec – Santé (FRQS).
PhD scholarship
Deniz Cetin-Sahin
$60,000
18. 2018-2019
Canadian Frailty Network Interdisciplinary Fellowship Program.
Martin Yang
$20,000

19. 2018-2019
CIHR Graduate Scholarships, Masters
Matthew Hacker-Teper
$17,500

4.2. Researchers outside of our team who secured external funding based on CCNA project

1. 2014-2015
CIHR - Canadian Institutes of Health Research. Knowledge Synthesis Grant.
“Toward a Patient Information Aid: In primary health care, what are the outcomes associated with using online consumer health information? A participatory systematic mixed studies review.” (KRS # 305491)
NPI: Pierre Pluye
Co-investigator: I Vedel
$99,971

2. 2014-2015
Réseau Québécois de Recherche sur le Vieillissement. (operating grant)
“Development and validation of a Complex Care Needs Assessment Methods for elderly patients in community-based primary health care”
NPI: P Pluye
Co-PI: I Vedel
$10,000

3. 2016-2017
Canadian Institutes of Health Research (CIHR) – Knowledge Research Synthesis.
“Toward an interprofessional shared decision making support tool for primary care patients with complex care needs: A participatory systematic mixed studies review”. KRS-367087
NPI: P Pluye
Co-investigator: I Vedel
$100,000

4. 2016-2017
Canadian Institutes of Health Research (CIHR) – Knowledge Research Synthesis.
“Identifying and Understanding the Health and Social Care Needs of Older Adults with Multiple Chronic Conditions and their Caregivers: A Scoping Review.”
NPI: K McGilton
Co-investigator: I Vedel
$50,000

5. 2016-2018
Trent Centre for Aging & Society (TCAS)
Comparison of Publically Funded Dementia Assessment and Care Services in the Central East LHIN,
NPI: J. Ingram
$5,000
