4. Alzheimer's disease and related disorders: interdisciplinary clinical process in primary care. Ministère de la santé et des services sociaux. I Vedel, Howard Bergman are co-authors. June 6, 2015.
5. Initiative ministérielle sur la maladie d'Alzheimer et autres troubles neurocognitifs majeurs. Guide de mise en œuvre pour le déploiement des meilleures pratiques cliniques et organisationnelles dans les CISSS et les CIUSS. Seconde phase des travaux - 2016 À 2019. Direction générale des services sociaux Direction générale des services de santé et médecine universitaire. I Vedel, Howard Bergman are co-authors. 2017

2. Presentation

2.1. Invited presentations

1. 13th International Geneva/Springfield Symposium on Advances in Alzheimer Therapy.
Bergman H, Vedel I
Title: Caring for Patients with Dementia: Developing and implementing provincial Alzheimer strategies lessons learned from the Quebec Alzheimer plan.
Geneva, Switzerland (March 27 2014).
2. Ministère de la Santé et des Services Sociaux.
Title : Projets d'implantation ciblée en GMF pour les personnes atteintes de la maladie d'Alzheimer et les autres maladies apparentées et leurs proches. L'implantation et son évaluation : une synergie nécessaire et bénéfique.
May 8, Montreal, Qc, Canada (May 8 2014)
3. CIHR "Best brains exchange".
Title: Practice to Research-Evaluation to Policy: The Canadian Team for healthcare services/system improvement in dementia care.
Halifax, NS (October 14 2014)
4. CIHR/Nova Scotia Ministry of Health «Best Brains» exchange with the Department of Health and Wellness in Nova Scotia: developing a provincial dementia strategy.
Vedel I, Bergman H
Title: The development and implementation of provincial Alzheimer Plans.
Nova Scotia (October 30 2014)
5. G7 Summit Legacy Event.
Bergman H, Vedel I
Lessons learned from developing, implementing and evaluating the Quebec Alzheimer Plan. Tokyo, Japan (November 4 2014)
6. 2e Congrès québécois sur la maladie d'Alzheimer et les maladies apparentées
Vedel I, Couturier Y
Title : Plan d'action pour la maladie d'Alzheimer : premiers résultats de la recherche évaluative des projets d'implantation ciblés du MSSS.
Quebec City (November 5 2014)
7. Family Medicine Forum
Bergman H, Vedel I
Title: Implementation and Assessment of the Quebec Alzheimer Plan.
Quebec City (November 12-14 2014)
8. Geriatric Ground Round. Department of Medicine, division of geriatrics, McGill University.
Vedel I
"Implementing Innovative Approaches for Patients with Alzheimer's Disease and related disorders: Evaluation of the Quebec Alzheimer Plan",
Montreal, Qc (January 20 2015)
9. 35th Annual Scientific Meeting of the Canadian Geriatrics Society
Vedel I
Title: Developing, Implementing and Evaluating Alzheimer's Initiatives and Strategies: Lessons Learned from Quebec, Ontario and Nova Scotia
Montreal, Qc (April 16-18 2015)
10. The 1st Annual Dr. Peter McCracken Memorial Lecture in Geriatric Medicine.
Bergman H, Vedel I
Title: The Management of Older Persons with Dementia: The Challenge of Coordinated Models of

- Care between Primary and Specialty Care
Alberta (May 5 2015)
11. Alberta Health Services.
Bergman H, Vedel I
Title: Developing and Implementing Provincial Alzheimer Strategies – Lessons learned from the Quebec Alzheimer Plan.
Alberta (May 5 2015)
 12. Réseau-1 Quebec. Journée scientifique 2015.
Vedel I
Title : Implantation du plan Alzheimer dans les GMF et UMF au Québec.
Montreal, Qc (May 22 2015)
 13. 2015 Canadian Association for Health Services and Policy Research (CAHSPR).
Vedel I
Title: Improving care for older adults and individuals with dementia in the French and Canadian health care systems: insights and challenges in evaluating policy interventions.
Montreal, Quebec, Canada (May 27, 2015)
 14. Canadian Geriatric Society
Bergman H, Vedel I
Title: Developing and implementing provincial Alzheimer Strategies: Lessons learned from the Quebec Alzheimer Plan
Calgary, AL (October 2015)
 15. Événement de clôture des projets Alzheimer du RUIS Sherbrooke
Arsenault-Lapierre G
Title : Présentation des résultats préliminaires de la recherche évaluative, étude quantitative
Granby, QC (October 2nd 2015)
 16. Journée d'échange du RUIS Université de Sherbrooke
Arsenault-Lapierre G
Title : Présentation des résultats préliminaires de la recherche évaluative, étude quantitative
Quebec, QC (October 23 2015)
 17. Journée Bilan du RUIS Université de Montréal
Arsenault-Lapierre G
Title : Présentation des résultats préliminaires de la recherche évaluative et préconisations
Montreal, QC (October 30 2015)
 18. Academy of Health Sciences
Bergman H, Vedel I
Title: Developing and implementing provincial Alzheimer Strategies: Lessons learned from the Quebec Alzheimer Plan
Ottawa, ON (Sept 17, 2015)
 19. Canadian Consortium for Neurodegeneration and Aging (CCNA) partner forum.
Vedel I, Bergman H
Title: Presentation of the Canadian team for healthcare services/system improvement in Dementia Care.
Ottawa, ON (Sept 30-Oct 1st 2015)
 20. Meeting of the Canadian Association on Gerontology: From Possibility to Practice in Aging: Shaping a Future for All. CAG 2015.
Bergman H, Vedel I
Panel: Provincial Dementia Strategies – Lessons Learned. 44th Annual Scientific and Educational
Calgary, Alberta (October 23-25 2015)

21. St-Mary's hospital center
Vedel I
“Innovative Approaches for Patients with Alzheimer’s Disease and related disorders: The Canadian Team for Healthcare Services/System Improvement in Dementia Care,”
Montreal, Qc (November 24 2015).
22. CIHR’s Institutes of Population and Public Health (IPPH) & Health Services and Policy Research (IHSPR). Community-Based Primary Health Care (CBPHC) Innovations: Third Annual Meeting.
Vedel I
Evaluating Innovative Approaches for Patients with Alzheimer’s Disease and related disorders.
Ottawa, ON (November 25-26, 2015)
23. Midis-conférences du Ministère de la Santé et des Services Sociaux.
Title : Initiative ministérielle sur la maladie d’Alzheimer et autres troubles neurocognitifs majeurs : Une approche inspirée des meilleures pratiques cliniques et organisationnelles
(Feb 24, 2016)
24. BrainXchange and Canadian Consortium on Neurodegeneration in Aging (CCNA)’s national webinar
Title: Making culture change work: An integrated approach
Dupuis, S., & McAiney, C.A.
Webinar (March, 2016)
25. 13e Réunion Francophone sur la Maladie d’Alzheimer et Syndromes Apparentés.
Vedel I
Title :Le plan Alzheimer au Québec : de son implantation à son évaluation.
Lyon, France, (June 8-10 2016)
26. Séminaires de l’IRSPUM Institut de Recherche en Santé Publique de l’Université de Montréal
Vedel I
Title : Implantation du plan Alzheimer dans les GMF : résultats de la recherche évaluative Montréal, Qc (Sept 21, 2016)
27. Canadian Consortium of Neurodegeneration in Aging. CCNA annual Research Day and Partners meeting 2016.
Godard-Sebillotte* C, Vedel I.
Title: Enhancing the capacity of primary care professionals: does it have an impact on urgent care use of persons with dementia?
Vancouver, BC. (Oct 6, 2016)
28. Canadian Consortium of Neurodegeneration in Aging CCNA annual Research Day and Partners meeting 2016.
Godard-Sebillotte* C, LeBerre* M, Trottier* M, Vedel I
Title: Do interventions specifically addressing the reasons leading persons with dementia to the Emergency Room have an impact on urgent care use? A systematic mixed studies review
Vancouver, BC. (Oct 6, 2016)
29. Canadian Consortium of Neurodegeneration in Aging CCNA annual Research Day and Partners meeting 2016.
Vedel I, Sourial N*, Arsenault-Lapierre G, Bergman H.
Title: Effects of a Provincial Initiative on the Management of Patients with Dementia in Family Medicine Groups
Vancouver, BC. (Oct 6, 2016)
30. Canadian Consortium of Neurodegeneration in Aging CCNA annual Research Day and Partners meeting 2016.
Sourial N*, Arsenault-Lapierre G, Hardouin M, Vedel I.
Validation of two questionnaires on the knowledge, attitudes and practices of primary care clinicians

- toward the management of patients with dementia
Vancouver, BC. (Oct 6, 2016)
31. McGill, Department of Family Medicine, Departmental retreat
Vedel I
Title: Care of the elderly and implementation of the Alzheimer plan
Two thematic workshops. 6hrs. 18 participants
Montreal, Qc (October 2016)
 32. Ministère de la Santé et des Services sociaux : Initiative ministérielle sur la maladie d'Alzheimer et autres troubles neurocognitifs majeurs - Rencontre pré-congrès Alzheimer
Vedel I, Couturier Y
Title : Bilan de la recherche et éléments gagnants pour un déploiement réussi
Sherbrooke, Qc (Nov 2, 2016)
 33. 3e Congrès québécois sur la maladie d'Alzheimer et les maladies apparentées
Vedel I, Couturier Y.
Title: Implantation du plan Alzheimer dans les GMF : résultats de la recherche évaluative
Sherbrooke Qc (Nov 4, 2016)
 34. Research Institute for Aging Culture Change Exchange
Title: Considering culture change? Some ideas for getting started
McAiney, C., & Dupuis, S.
Waterloo, ON (December, 2016)
 35. Gouvernement du N.-B.
Pakzad S
Title: Diagnostic et prise en charge de la démence au NB
Fredericton, NB (2016)
 36. Jeu d'Acadie
Pakzad S
Title : Soutenir la santé mnésique
Shediac, NB (2016)
 37. École d'été de perfectionnement sur le vieillissement
Pakzad S
Title : Diagnostic de la démence au NB
Shippagan, NB (2016)
 38. Réseau de Recherche en Soins Primaires de l'Université de Montréal.
Vedel I
Title: Évaluer les modèles de soins implantés en première ligne pour les patients avec maladie d'Alzheimer ou apparentées et leurs aidants
Montreal, Qc (22 mars 2017)
 39. Research Institute for Aging Culture Change Exchange
Title: Discovery: Exploring when we are at our best
McAiney, C., & Dupuis, S.
Waterloo, ON (March, 2017)
 40. 31st Annual Geriatric Medicine Refresher Day
Title: Culture change in long-term care and dementia: What is it and how to start
Dupuis, S., & McAiney, C.
London, ON (May, 2017)
 41. 85e Congrès de l'ACFAS Association francophone pour le savoir
Vedel I, LeBerre M, Sourial N, Arsenault-Lapierre G, Bergman H, Lapointe L.

- Title : Les conditions nécessaires à une diffusion passive fructueuse d'un guide de pratiques en troubles neurocognitifs au sein de la première ligne : une étude à méthodologie mixte
Montréal, Qc (May 10 2017)
42. Canadian Team for Healthcare Services and System Improvements in Dementia Care: Quebec, Ontario and New Brunswick stakeholder conference.
Vedel I
Title: Implantation du plan Alzheimer dans les GMF : résultats de la recherche évaluative
Montreal, Qc (June 16, 2017)
43. Canadian Team for Healthcare Services and System Improvements in Dementia Care: Quebec, Ontario and New Brunswick stakeholder conference.
Vedel I
Title: Implementation of the Quebec Alzheimer Plan in primary care: Results of the research evaluation
Montreal, QC (June 16, 2017)
44. Conférence Midi Centres intégrés de santé et de services sociaux (CISSS) de Montérégie-Centre Godard-Sebillote* C, Vedel I
Title: Surveillance de la maladie d'Alzheimer et des autres troubles neurocognitifs majeurs. Projet Futurs.
Longueuil, Québec, Canada.
45. 21st IAGG World Congress of Gerontology and Geriatrics
Vedel I, Arsenault-Lapierre G, Sourial N, Bergman H
Title: Alzheimer Plan: Impact on clinicians' knowledge, attitudes and practice and quality of dementia care
Innov Aging (2017) 1 (suppl_1): 1029. DOI: <https://doi.org/10.1093/geroni/igx004.3747>
San-Francisco, USA (July, 23-27 2017)
46. Association France-Canada
Pakzad, S
Title : Diagnostic de la démence pourquoi et comment.
Moncton, NB
