

## All Funds By FST Jurisdiction

### Report Summary

This report is designed to display all Active and Frozen funds in a specified Organization Level by FST Jurisdiction. Funds are grouped by Organization Code & Title.

#### **Note:**

The data warehouse includes all data up to and including yesterday. That is, changes made in the Finance system today will only appear in the data warehouse tomorrow.

### Data Warehouse View(s):

FG\_Fund\_Profile

### Prompting query fields are:

Organization Level – Org Level to select the Organization Code specified below. In general, faculty-wide codes (starting with “9”) are at level 3 and departmental levels are at 4. This may vary.

Organization Code – 5-digit organization code (e.g. 90025)

NOFST Option Indicator – Y/N (ie. Y returns all funds that do not have an FST associated to them, N returns all funds associated with an FST and those that are not, i.e. all funds)

### Detail Information includes:

Fund/Grant Code and Title – fund code and related title. In the case of a grant, displays the grant code and title instead.

Fund Type – e.g. 1C= Special Purpose/Self-Financing, 2F=Research Grants etc.

Funding title – source from which the fund/grant derives funding.

Fund Status – describes the status of the fund (e.g. A = Active, F = Frozen). Terminated funds are excluded.

Organization Title – describes the org code to which fund/grant belongs

Fund Financial Manager - the name of the financial manager responsible for the fund/grant
