Note: Once a delegation record is "confirmed", only the FFM/PI may revoke the record.

Note: It is important for the FFM / PI to check the figure that appears for each fund in the "Subsequent Approval Required Over" field.

- This is the maximum amount delegates may approve without the FFM's subsequent approval.
- If this limit has never been changed then it will default in as $10,000 or the amount entered in the Delegation Threshold field in FZMFUND.
