HOW TO process an Inter-Departmental Charge/IDC (FGAJVCQ)

How to process an IDC (Inter-Departmental Charge):

Before you begin, make sure you have the following information on-hand:

- The Service Center’s FOAPAL (for the credit sequence) including the appropriate account code that best represents the nature of the internal sale i.e. "77XXXX".
- The FOAPAL to the McGill Unit who received the goods and/or services (for the debit sequence) including the appropriate account code that best represents the nature of the expenditure charge i.e. "7XXXXX".
- The amount of the internal sale = the amount of the expenditure charge
- The service dates of when the goods and/or services were rendered in full.
- A specific and informative description of the IDC.

Steps:

1. Login to Banner.
2. Enter FGAJVCQ in the Go To field and hit Enter or select FGAJVCQ (Journal Voucher Quick Form) from the Finance Fast Track menu.
3. Type NEXT in the Document Number field.
4. Click on the Next Block icon or use Ctrl-Page Down if you prefer using the keyboard to continue to the Document Header.
5. The Transaction Date will populate with today’s date. Leave as is.
6. TAB to the Document Total field and enter the absolute value of the journal (IDC) entry = sum of the Credit and Debit sequences. For example, if the journal (IDC) document has only two sequences, and the amount of the credit and debit sequences are each $220.25, enter 440.50.

Entering Document Text:

7. Click the Options menu and select Document Text [FOATEXT].
8. The journal (IDC) now has a unique Document Number (JXXXXXXXX) which appears in the Code field.

9. Click on the Next Block icon or use CTRL-Page Down if you prefer using the keyboard to go to the Text lines.
10. Enter the document text for this journal (IDC) - describe the purpose:
    Line 1: Name, service center unit, and contact number of the service center
    Line 2 (3,4,etc): Explain why this IDC is being processed - avoid acronyms. Include the service dates and ensure that the period being referenced is not future dated - charges for services rendered must represent actual incurred expenses.
