HOW TO Assign or Delete FOAPALs and uPrint card Badge IDs associated to Resource Accounts (uPrint)

The Assign or Delete FOAPALs and uPrint card Badge IDs associated to Resource Accounts menu allows the Key Financial Contact and uPrint Administrator(s) to:

1. Assign FOAPALs, that are within their Org jurisdiction, to Resource Accounts for uPrint charges.
2. Assign uPrint cards (Badge ID) to Resource Accounts for uPrint charges.

Changes made using this menu (assigning/deleting/updating) will only come into effect after the next data update period. These occur daily (Monday to Friday, excluding holidays) at 6am, 10am, 1pm and 4pm.

Note: When the Key Financial Contact and uPrint Administrator(s) (if applicable) is temporarily absent and a FOAPAL needs to be assigned to a Resource Account, send your request to itsupport@mcgill.ca.

How to assign a FOAPAL to a Resource Account AND how to assign a Resource Account to a uPrint Card Badge ID

For Research Grants, please note the following: You must have the written authorization (email/memo) of the Principal Investigator prior to assigning a FOAPAL through this menu. This authorization must be kept for a minimum of 7 years in the event of an audit.

1. Log in to Minerva.
2. Go to the Finance (Fund) Administration menu.
3. Select the uPrint Campus Printing menu option.
4. Click on Assign or Delete FOAPALs and uPrint card Badge IDs associated to Resource Accounts.
HOW TO Assign or Delete FOAPALs and uPrint card Badge IDs associated to Resource Accounts (uPrint)

5. Enter the Resource Account in the McGill Username field. Click on the magnifying glass icon if the Resource Account is not known.

6. If you have already assigned a FOAPAL to the Resource Account and need to assign a uPrint card to the entered Resource Account, click the List button and skip to Step 16.

7. Enter the 6 digit code in the Fund Code field.  
   **Note**: A drop down list appears if you have access to less than 100 funds; otherwise a magnifying glass icon will appear.

8. Click on the Assign FOAPAL button.

9. By default, the Fund you entered in the previous screen along with the appropriate Organization, Account and Program codes will be displayed. These cannot be changed.
HOW TO Assign or Delete FOAPALs and uPrint card Badge IDs associated to Resource Accounts (uPrint)

10. You have the option to enter Activity and Location codes. If your Unit does not use these, leave as is - a series of six zeros '000000'.
11. If you would like this FOAPAL to be set up as the default for uPrint charges, check the Default FOAPAL box.
   Note: There can only be one default FOAPAL.
12. In the Tag field, you may enter any combination of characters (alphabetic and/or numeric) that will help to identify the FOAPAL to charge on the uPrint device Account screen. If left blank, the Fund-Activity-Location set of codes for the FOAPAL string will be displayed. No other textual description will appear on the uPrint device Account screen to identify the FOAPALs assigned to the resource account.
13. If needed, enter a Termination date in the format "DD-MON-YYYY" or use the calendar icon.
   Note: If you decide to enter a termination date, the resource account may not be used to print/copy on any uPrint device after that date.
14. If Activity and Location codes were entered, and you would like to see the descriptions associated to the codes before submitting the form, click the Refresh button.
   Clicking the Cancel button will bring you back to the main screen of this menu option and the FOAPAL will not be assigned to the resource account.
15. Click the Submit button.
   o You will return to the main screen of this menu option and the following message will appear under the Fund Code field - "The FOAPAL record was successfully added".
   o A summary table of all assigned FOAPALs will be displayed.
   Note: Once a FOAPAL has been assigned to a resource account, the changes will only appear on the device's Account screen after the next data update period. These occur daily (Monday to Friday, excluding holidays) at 6am, 10am, 1pm and 4pm.
16. Continue with the steps below to assign a uPrint card to a Resource Account.
17. Enter the uPrint card Badge ID in the field.
   Note: The uPrint Badge ID corresponds to the first six digits of the numerical sequence that appears on the back of the card.
18. Click the **Assign Badge ID button**.

19. On the next screen, choose whether or not to waive the password by selecting the radio button under the desired action. Selecting "PSWD Waived" means that there will be no prompt to enter a password when swiping the card at any uPrint device.

20. Click the **Submit** button.

   *Note: Once a Badge ID has been associated with a Resource Account, it will only be usable after the next data update period. These occur daily (Monday to Friday, excluding holidays) at 6am, 10am, 1pm and 4pm.*
