A message from Campus Life & Engagement, the one office dedicated to new McGill students.

Happy Tuesday!

Today, we’re officially inviting you to Orientation Week 2019! Orientation Week is your one opportunity to get to know McGill and Montreal alongside the entire entering class of 2019. This email will walk you through all of the exciting events available to you as a new undergraduate student from August 26 to September 3 and how to register to join in on the fun!

**Orientation Week Events**

- **Welcome Fest and Off-Campus Connects (OCX):** Monday, August 26

See the full schedule of events [here](#).

### Faculty Frosh and Non-Faculty Frosh

**Faculty Froshes** are organized by different undergraduate faculty or school student associations, while **Non-Faculty Froshes** are organized by different interest groups. Faculty Froshes enable you to bond with students in your faculty, while Non-Faculty Froshes offer the opportunity to explore a specific interest such as social and environmental justice, nature, or faith with students from across McGill.

Visit the Orientation Week website for the complete list of [Faculty](#) and [Non-Faculty Froshes](#) available this year. Please note that **every Frosh has a maximum capacity** and that registration is therefore first come, first served.
