Dear,

Congratulations on becoming a McGill University student!

The team at Campus Life & Engagement (CL&E) is here to help you get acquainted with McGill as quickly as possible, so you can get involved and make the most of your time as a student. We’re here to support you as you navigate your new environment, and we hope that our summer emails help you understand the variety of resources available to you.

Be sure to read through to the end of this email, as we are providing you with important information for orientation and the academic year.

**Meet Campus Life & Engagement & The Team!**

Please allow us to introduce ourselves! Campus Life & Engagement, or CL&E (pronounced clay), is the part of McGill Student Services that coordinates **year-long support to all new McGill students**. We’re here to help you find your bearings, settle in, and connect with the people and services you need. We also host University-wide events during Orientation Week, such as Discover McGill day, so you’ll be seeing lots of us once you arrive!

If you ever have any questions – during the summer, your first year, or at any time as a student at McGill – please feel free to get in touch with the Campus Life & Engagement team:

McGill University is located on land which has long served as a site of meeting and exchange amongst Indigenous peoples, including the Haudenosaunee and Anishinabeg nations. McGill honours, recognizes and respects these nations as the traditional stewards of the lands and waters on which we meet today.
