Highlights

Research and publications

- Publications
  - 113 Articles in Refereed Journals with division faculty as authors. Division faculty as senior or first author in 59 publications
    - 2 publications in journals with IF >30 (Science; Lancet Oncology)
    - 2 publications in journals with IF >10 (Nature Communications; American Journal of Gastroenterology)
    - 19 publications in journals with IF >5; faculty as first or senior author in 8 papers
  - 41 (of 51 total) clinical faculty as co-author on at least one paper, 19 clinical faculty as first or senior author on at least one paper, and 28 residents/fellows as coauthors on at least one paper (14 as first author).
  - Division faculty edited 2 books and authors of 14 book chapters

- Estimated total research operating funds in 2018 from all external sources: $5.16 million
- Estimated Total fundraising: $2.27 million
- New External operating grants awarded in 2018 with faculty as PI or Co-PI
  - Basik M. (PI). Genome-wide copy number analysis of circulating tumor DNA in breast cancer. Sequenom (Lab Corp Inc.), $160000
  - Boutros M (PI/supervisor) 2018: Patient Activation for Low Anterior Resection Syndrome: A Multicenter Randomized Controlled Trial. Canadian Society of Colorectal Surgery Research Grant, $35,000
  - Fiore Jr, Julio (PI). Preventing opioid prescription after major surgery: A scoping literature review on opioid-free postoperative analgesia. CIHR Opioid Crisis Knowledge Synthesis Grant: Operating. $59,866
  - Fiore Jr, Julio (PI). 2018-20: FRQS Établissement de jeunes chercheurs. Grant, Operating, $60,000
  - Lee L (PI) 2018-19: Lymphatic mapping for colon cancer using indocyanine green fluorescence imaging. Society of American Gastrointestinal and Endoscopic Surgeons, $30,000 USD.
  - Lee L (PI) 2018-20: Mobile health technology to improve post-discharge care and reduce healthcare costs in patients undergoing gastrointestinal surgery. Investigator-initiated grant from Johnson & Johnson Canada. $110,000.
  - Lee L (PI) 2018-19: FRQS programme de formation pour les médecins residents en medicine specialise visant une carrier en recherché-phase 3. Operating start-
up grant, $15 000

• New External Salary Awards for faculty
  o Lee L 2018-19: FRQS programme de formation pour les médecins residents en medicine spécialisée visant une carrier en recherche-phase 3. $70 000

• Keynote presentations, visiting professorships
  o 94 invited talks given by 22 faculty members outside of McGill
    ▪ Including 6 Visiting professorships/grand rounds/keynote presentations given by 4 faculty

Teaching and learning

• Teaching awards
  o Sigman H: David Owen Undergraduate Teacher Award
  o Paraskevas S: General Surgery Excellence in Postgraduate Teaching Award
  o Demyttenaere S: TCP Surgery 2018 Teaching Award

• Innovations in teaching
  o Barkun J: Creation of Module 10 (judgment) for SAGES Safe Cholecystectomy online multimedia Program
  o Boutros M: General Surgery Colorectal Academic Half Day Block Leader - designed the block, lecture series, skills lab, pre- and post-test
  o Deckelbaum D: Course development of Trauma and Disaster Team Response with implementation in Palestine, Ramallah, Nepal, Mozambique, Mongolia
  o Fleiszer D. Creation of an on-line CPD case for CAGS
  o Meguerditchian A: Nurses professional development program through Rossy network received certificate of recognition from Canadian Nurses Association 2018
  o Mitmaker E: Co-creator of eLearning platform – Think Like A Surgeon© – Thyroidectomy: using technology to teach surgical decision-making
  o Mueller C: Development of new academic half day including pre/post tests, interactive lectures, simulation
  o Paraskevas S: Creation of Donor Surgical Skills Masterclass
  o Vassiliou M. Development of OSCES to evaluate EPAs

• Student successes
  o Recognitions
    ▪ Al-Malki T(Boutros supervisor): GREAT McGill Experimental Surgery Travel Award
• Balvardi S (Fiore Jr supervisor): Best Podium Presentation - Surgical Outcomes. Experimental Surgery/IRR Research Day 2018
• Dumitra T (Feldman supervisor): SAGES Best International Paper Award
• Dumitra T (Feldman supervisor): Annual Experimental Surgery Research Day-2nd place winner
• Dumitra T (Feldman supervisor): Julius Gordon Travel Award, Division of General Surgery
• Garfinkle R (Boutros supervisor): Best Clinical Science Presentation Award – LD Maclean
• Pancer J (Mitmaker Co-Supervisor): McGill Endocrine Retreat – Best Poster Winner in Category of “Metabolic Disorders and Thyroid Disease”
• Pecorelli N (Fiore Jr supervisor) Best Outcomes Research Presentation. Fraser Gurd Surgical Research Day 2018, McGill University
• Rutman A (Paraskevas supervisor): Rising Star Award, Experimental Surgery Graduate Program
• Wang Y (Zogopoulos supervisor):
  o New Salary awards
    ▪ Bilgic E (Vassiliou M Supervisor). Rising Star Award from McGill University Graduate excellence Fellowship Fund, Feb 2018
    ▪ Ibrahimi N MSc student (Metrakos P supervisor). Verdone cancer research scholarship $22000
    ▪ Trepanier M 2018-20 (Lee L, supervisor): CIHR Masters’ award 2018-2019 ($17,5000); FRQ-S Bourse de formation de maîtrise ou de doctorat pour les détenteurs d’un diplôme professionnel 2018-2020 ($61,956)
    ▪ Valenci S PhD student 2018-21 (Mueller C, supervisor): THP Molson Research Fellowship Award. Reciprocal peer mentorship for practicing surgeons - modernization of continuous professional development in surgery. $90000

**Involvement in the community**

• Meeting Chairs
  o Feldman L: Co-chair of SAGES/CAGS World Congress of Endoscopic Surgery
  o Tchervenkov J. Co-organizer of CST 2018 annual meeting

• Leadership in specialty organizations
  o 31 faculty have leadership roles in specialty societies or external organizations, including president and vice-president
    ▪ Chaudhury P: Canadian Liver Transplant Network president
    ▪ Fata P: President of Canadian Association of General Surgeons
    ▪ Feldman L: SAGES Vice-president
    ▪ Fried G: President, Canadian Association of Surgical Chairs
  o Other Executive committee roles:
- Bergman S: Executive of the Canadian Undergraduate Surgical Education Committee (CUSEC)
- Chaudhury P: President elect of CHPBA
- Charlebois P: AQC executive elected member (treasurer, secretary)
- Feldman L: SAGES Executive committee (Vice President 2016-18; treasurer 2018-)
- Fraser S: Canadian Society of Physician Leaders, treasurer
- Fried G: Society for Surgery of the Alimentary Tract Executive committee member (Vice-President);
- Meguerditchian A: Executive committee CSSO
- Pelletier JS: CHPBA Treasurer
- Razek: Trauma Association of Canada (TAC) executive committee; International Association for Trauma Surgery and Intensive Care (IATSIC)- Executive member

  o Other lead roles (board member or committee chair/co-chair):
    - Beckett A: Trauma Association of Canada, Board of Directors
    - Beckett A: Chair, NATO Committee on Live Tissue Training Usage
    - Chaudhury P: Canadian Society of Transplantation board member
    - Deckelbaum D. Interim Board of Directors, G4 alliance
    - Fata P: CAGS executive board
    - Fata P: Chair Steering Committee, CSF
    - Fata P: Co-Chair CAGS exam
    - Fried G: Chair, Board of Regents, American College of Surgeons
    - Meterissian S: Governor of the American College of Surgeons
    - Feldman L: SAGES Board of Governors
    - Feldman L: Chair Finance committee
    - Feldman L: Initiator and Co-chair, Video Based Assessment Task Force
    - Feldman L: Chair, CAGS Committee of General Surgery Chiefs
    - Feldman L: Fellowship council board of governors
    - Feldman L: Chair, Education committee Fellowship council
    - Feldman L: Chair, Graduated responsibility task force for IT overhaul
    - Fraser S: Canadian Society of Physician Leaders, board member
    - Fraser S: Canadian Hernia Society, board member
    - Liberman S: Canadian Society of Colon & Rectal Surgery Executive
    - Morin N: Member of the American Board of Colon and Rectal Surgery
    - Mueller C: Co-Chair, SAGES Education Council Business and Technology Group
    - Razek T: ACS Committee on Trauma- Regional Chief
    - Razek T: Trauma Association of Canada (TAC) Board of Directors
    - Razek T: Chair, Global Issues and Disaster Preparedness, Trauma Association of Canada (TAC)
    - Razek T: Canadian Network for International Surgery (CNIS)- Chair of the Board of Directors
    - Razek T: The Eastern Association for the Surgery of Trauma (EAST)- Chair of the membership committee
    - Razek T: The Eastern Association for the Surgery of Trauma (EAST)- Board of Directors
    - Vassiliou M: SAGES Board of Governors
- Vassiliou M: FLS committee chair

- Global surgery
  - Deckelbaum D: Course development of Trauma and Disaster Team Response
  - Deckelbaum D. Consultant, Canadian Red Cross. Disaster response and capacity building in low and middle income countries
  - Deckelbaum D. Interim Board of Directors, G4 alliance
  - Khwaja K: Trauma & Disaster Team Training Course (TDTR). Ramallah, August 2018
  - Liberman S: Examiner for COSECSA Surgery exams
  - Meterissian S: Adjunct Professor of Oncology – Yerevan State Medical University
  - Razek T: Red Cross mission, Tegucigalpa, Honduras, July 3-4-5, 2018

**Milestones**

- New recruits:
  - Dr Sinziana Dumitra (JGH/MUHC)
  - Dr Lawrence Lee (MUHC)

- Academic promotion:
  - Dr Elliot Mitmaker to Associate Professor

- In Memorium:
  - Dr Philip Gordon (JGH)

**Honours, awards and prizes**

- Fried: Meritorious Service Cross, Civilian Branch, (M.S.C.) by the Governor General of Canada in recognition of contributions to the country in introducing, disseminating and ensuring the quality of Minimally Invasive Surgery in Canada
- Meguerditchian: certificate of recognition, Canadian Nurses Association for establishing a career development program for oncology nurses at McGill
- Meterissian: Induction into the ACS Academy of Master Surgeon Educators
- Trauma Service received teaching award
- Tremblay F: Marvin Wexler Clinical Excellence Award
- Vassiliou M: Kathryn Rolph award
- Zogopoulos G. local, provincial and national coverage of pancreas cancer genetics research

**Clinical Innovations/Firsts**

- First use of ER-REBOA in Canada
- First liver transplant after Medical Aid in Dying (MAID) in Quebec
1. Grants and Salary Awards; fundraising
2. Honours and Recognitions (including named/keynote lectureships)
3. Patents
4. Publications
   A. Articles in Refereed Journals
   B. Conference proceedings, consensus conferences and workshops
   C. Books
   D. Book Chapters
5. Involvement in the Community
   A. Invited Speaker or course faculty
   B. Session/course/symposium Chair
   C. Grant review
   D. Leadership in specialty societies or external organizations
   E. Advice to Government/Global Surgery
   F. Community Service
1. Grants and Salary Awards; fundraising

- Basik M. Pl. « Genome-wide copy number analysis of circulating tumor DNA in breast cancer ». Sequenom (Lab Corp Inc.), research contract. $160000,
- Basik M. Multicentre trial : Overall PI : NRG BR005 : Phase II Trial Assessing Accuracy of Tumor Bed Biopsies (Bx) in Predicting Pathologic Response in Patients (Pts) with Clinical/Radiological Complete Response (CR) after Neoadjuvant Chemotherapy (NCT) in Order to Explore the Feasibility of Breast-Conserving Treatment (BCT) without Surgery
- Boileau J-F. Site PI and Provincial Lead. Reducing the bUrden of Breast cancer in Young women (RUBY)”. Funded by the Canadian Breast Cancer Foundation (CBCF) and the Canadian Institutes of Health Research (CIHR). Pls: Steven Narod & May Lynn Quan. 2018 : $6,000
- Boileau J-F. Principle Site Investigator, Jewish General Segal Cancer Centre. MK-3475/KEYNOTE-522 trial: A Randomized, Double-blind Phase III Study to Evaluate Pembrolizumab (MK-3475) plus Chemotherapy vs Placebo plus Chemotherapy as Neoadjuvant Therapy and Pembrolizumab vs Placebo as Adjuvant Therapy for Triple Negative Breast Cancer (TNBC). MERCK [Industrial Grants] 2018 : $475,000
- Boileau J-F. Principle Site Investigator, Jewish General Segal Cancer Centre. NSABP B-59/ A Randomized, Double-Blind, Phase III Clinical Trial of Neoadjuvant Chemotherapy with Atezolizumab or Placebo in Patients with Triple-Negative Breast Cancer Followed by Adjuvant Continuation of Atezolizumab or Placebo. Roche [Industrial Grants] 2018 : $108,000
- Boileau J-F. PALLE/11: A Phase II Randomized Study Evaluating the Biological and Clinical Effects of the Combination of Palbociclib with Letrozole as Neoadjuvant Therapy in Post-Menopausal Women with Estrogen-Receptor Positive Primary Breast Cancer. Funded by Pfizer [Industrial Grants] 2018 : $34,050
Boutros M. 2018 (Co-I). Integrated technology voice system as means to provide quality care and to improve cost-effective surveillance strategies for patients with colorectal cancer. Te Vunog Pl. Rossy Cancer Network Research Grant ($63,500).

Boutros M. 2018-2022. FRQS Junior 1 ($60 000)

Deckelbaum D. Raised $2 000 000 for the Trauma program

Dumitra S 2018: Dr. Douglas Avirth Scholarship, Management of Retroperitoneal Sarcoma. MUHC Foundation 25,000$

Feldman L (supervisor). 2016-18. Juan Mata. A mobile device application (app) to improve adherence to an enhanced recovery program for colorectal surgery: a randomized controlled trial. FRQS $78 646

Feldman L (Co-I) 2018-21. Home to Stay: An integrated monitoring system using a mobile app to help reduce readmissions following colorectal surgery. CIHR Project Grant, Kennedy E PI. Role: Co-investigator. $248 626 total. (“~$30 000/year for Feldman)

• Feldman L. 2017-18 (Co-PI). Minimally Invasive Centre of Excellence. Co-Principal Investigator with Dr Gerald Fried. Medtronic ($175,000)
• Feldman L. 2018. Surgeon scientist program: worked with foundation to secure ongoing support from donor ($200,000)
• Fiore Jr, Julio (PI) 2018: CIHR Opioid Crisis Knowledge Synthesis Grant: “Preventing opioid prescription after major surgery: A scoping literature review on opioid-free postoperative analgesia" Grant, Operating. $59,866 CAD
• Fiore Jr, Julio (PI). 2018-20: FRQS Établissement de jeunes chercheurs. Grant, Operating. $60,000 CAD total
• Fiore Jr, Julio (co-PI) 2017-19: "The impact of alvimopan on postoperative outcomes after abdominal surgery: A systematic review and meta-analysis", Grant, Operating Merck Investigator Studies Program Grant. $31,640 CAD
• Fiore Jr, Julio (co-I) 2016-19: Rossy Cancer Network Research Fund: “Improving outcomes for frail patients undergoing colorectal resection for cancer with multimodal prehabilitation”. Franco Carli –PI. $97,597 CAD
• Fiore Jr, Julio (PI) 2017-20: FRQS Chercheurs-boursiers (Junior 1). $223,075 CAD
• Fleiszer D. 2018. Creation of On-line Cancer Modules. Cedars Cancer Foundation. $70,000
• Fleiszer D. 2018-20. Parkinson’s Canada. $60,000
• Fleiszer D. 2018-20. Abbot Nutrition $30,000
• Khwaja K. co-investigator. Operative vs Non-operative Treatment of Acute Unstable Chest Wall Injuries: A Multi Centered Randomized Controlled Trial, Lead Investigator: Dr. McKee, Toronto
• Khwaja K. Site PI. TBI Prognosis Multi-Centered Prospective Study, for McGill University Health Centre. Lead Investigator: Dr. Alexis Turgeon, Université Laval
• Khwaja K. Site PI. PROSPECT: PRObiotics to prevent Severe Pneumonia and Endotracheal Colonization Trial, Lead Investigator: Dr. D. Cook, McMaster University (CIHR/Industry sponsor)
• Khwaja K. site PI. PROPEL: Promotion of Regular Oesophageal motility to Prevent regurgitation and Enhance nutritional intake in Long-stay ICU patients. A Multicentre, Phase II, Sham-Controlled, Randomized Trial. Lead Investigator: Dr. D. Heyland, (Industry sponsor)
• Khwaja K. site PI. ASPECT: A prospective, randomized, double-blind, multicenter, phase 3 study to assess the safety and efficacy of intravenous ceftolozane/tazobactam compared with meropenem in adult patients with ventilated nosocomial pneumonia (Cubist sponsored)
• Lee L (supervisor) 2018-19. CIHR Masters’ award 2018-2019 Maude Trepanier, $17,5000
• Lee L (supervisor) 2018-20: FRQ-S Bourse de formation de maîtrise ou de doctorat pour les détenteurs d’un diplôme professional awarded to Maude Trepanier $61,956
• Lee L (PI) 2018-20: Mobile health technology to improve post-discharge care and reduce healthcare costs in patients undergoing gastrointestinal surgery. Investigator-initiated grant from Johnson & Johnson Canada. $110,000.

• Meguerditchian A. 2018. PI. Merkel cell cancer initiative. Roditis Memorial fund. $10 000.

• Meterissian S (site lead MUHC). 2017-: Groupe McPeak-Sirois Cooperative Clinical Trials Group

• Meterissian S. Fundraising to develop a wellness center at the breast center (>250000)

• Metrakos P. (supervisor) CIHR travel award to student Ayat Salman, November 2018

• Metrakos P. (supervisor) Verdone cancer research scholarship to PhD student Nisreen Ibrahim $22000

• Metrakos P (supervisor) Grad excellence award in experimental medicine and Max tern Recriot- Dept of medicine ($17000)

• Paraskevas S (Co-I) 2013-18. Canadian National Transplant Research Program. PI M.J. Hebert, L. West. CIHR, $300 000.

• Tchervenkov J (McGill PI). (?date). REGIFT – phase 3 trial QPI – 1002 in renal transplantation to prevent delayed graft function. $200,000
• Tchervenov J (?date PI for McGill) MEDEOR – 101 (Donor stem cells) for the prevention of graft rejection in HLA – matched using donor kidney transplant recipients. ?amount
• Vassiliou M. (co-I) 2018. “Development of a Curriculum to Teach and Assess Advanced Laparoscopic Suturing Skills: Taking first steps in the development of an advanced laparoscopic surgery program”. Medical Education Research Grant’ by the Royal College of Physicians and Surgeons of Canada
• Zogopoulos G. Site Investigator, PanFAM-1. A Study of IMMray™ PanCan-d Test for Early Detection of Pancreatic Cancer in High-risk Groups (NCT03693378). [Enrolling]
• Zogopoulos G. Site Investigator, COMPASS. Comprehensive Molecular Characterization of Advanced Pancreatic Ductal Adenocarcinomas (PDAC) for Better Treatment Selection: A Prospective Study (NCT02750657). [Enrolling]
• Zogopoulos G. PI. 2017-18. Genetics and oncogenomics of pancreatic cancer. Industry operating grant. Celgene Inc. $30,000
• Zogopoulos G (PI). 2017-2019 Elucidating the Genetics of Pancreatic Cancer Cancer Research Society. Operating Grant (Renewal, $120,000)
• Zogopoulos G (supervisor;). 2017-2018. Using platinum-based chemotherapy to induce sensitivity to PD-1 checkpoint blockade in BRCA associated pancreas cancer. Canadian Association of General Surgeons Y Wang PI. Operating Grant ($10,000)
• Zogopoulos G. (co-PI). 2017-2018 Pancreatic Canadian Oncology Network (PancOne). Pancreatic Cancer Canada Foundation co-Principal Investigator with S. Gallinger, D. Renouf, D. Schaeffer, P. Tang, and R. Ramjeesingh Operating Grant ($770,000). ($150,000 to GZ)
• Zogopoulos G (PI) 2015-2018. Preclinical trial evaluation of the poly(ADP-ribose) polymerase inhibitor 1/2 BMN 673 in pancreatic cancer associated with homology-directed DNA repair defects. Cancer Research Society Operating Grant ($120,000)
• Zogopoulos G. co-l. 2014-19. Hallmarks and therapeutic implications of "BRCAness" in pancreatic cancer. Canadian Cancer Society Research Institute, Impact Grant Operating Grant ($1,229,504), S. Gallinger (PI) ($335,924 to GZ)
• Zogopoulos G. FRQS Junior 2 (2016-20)

2. Honours and Recognitions (including named/keynote lectureships)
• Fried: Meritorious Service Cross, Civilian Branch, (M.S.C.) by the Governor General of Canada in recognition of contributions to the country in introducing, disseminating and ensuring the quality of Minimally Invasive Surgery in Canada
• Meguerditchian: certificate of recognition, Canadian Nurses Association for establishing a career development program for oncology nurses at McGill
• Meterissian: Induction into the Academy of Master Surgeon Educators’ of the American College of Surgeons
• Trauma Service received teaching award
• Tremblay F: Marvin Wexler Clinical Excellence Award
• Vassiliou M: Kathryn Rolph award
• Zogopoulos G. local, provincial and national coverage of pancreas cancer genetics research

3. Patents
• Granted:
  o Brodt: SOLUBLE IGF RECEPTOR Fc FUSION PROTEINS AND USES THEREOF
    Application No. 12857915.8 Case Ref. 05001770-467EP European Patent Office.
• Submitted:
  o Tchervenkov J and Paraskevas S, US application Modulators of retinoic acid receptor related Orphan nuclear receptors (ROR)

4. Publications
A. Articles in Refereed Journals

56. Kuriya B, Joshi R, Movahedi M, Rampakakis E, Sampalis JS, Bombardier C; Ontario Best Practices Research Initiative Investigators. High Disease Activity Is Associated with Self-

85. Pope JE, Rampakakis E, Movahedi M, Cesta A, Li X, Couto S, **Sampalis JS**, Bombardier C; and the Ontario Best Practices Research Initiative investigators. Treatment patterns in

B. Conference proceedings, consensus conferences and workshops at:

- American Association of Endocrine Surgeons
- American College of Surgeons Quality and Safety Conference
- American Society of Colon and Rectal Surgeons
- Annual Meeting of the American Society of Clinical Oncology (ASCO),
- Canadian Society of Endocrinology and Metabolism
- Canadian Society of Surgical Oncology
- Canadian Surgery Forum
- Conference of Pharmacoepidemiology and Therapeutic risk management
- European Solid Mechanics Conference
- ISUCRS Biennial Congress
- Pancreas Cancer: Advances in Science and Clinical Care
- San Antonio Breast Cancer Symposium,
- Society of American Gastrointestinal and Endoscopic Surgeons (SAGES)
- Society of Surgical Oncology
- The Transplantation Society International Congress
- World Congress of Biomechanics
C. Books
   - Svensen C, Gan TJ, Prough DS, **Feldman LS** (eds). Fluid Therapy for the Surgical Patient. CRC Press, 2018

D. Book Chapters
3. *Al Mahroos M, **Feldman LS**. Perforated Peptic Ulcer. In Minimally Invasive Acute Care Surgery, Khwaja K and Diaz J (eds), Springer 2018
9. **Lee L** and **Feldman LS**. Enhanced recovery pathways: is it laparoscopy or is it something else? In Schlachta C and Sylla P (eds), Current common dilemmas in colorectal surgery. Springer 2018
E. Technical reports
   o Impact of Inflammatory Bowel Disease in Canada 2018. Crohn’s and Colitis Canada. Direct Costs & Health Services Utilization and Indirect Costs of IBD Care working committees (including Lee L).

5. Involvement in the Community
   A. Invited Speaker or course faculty (excludes talks for McGill teaching)
      1. Arena G. Policlinico Hospital, University of Catania, Italy, February 26, 2018 and May 22, 2018. Mentoring Professor Biagio Di Stefano. Laparoscopic Hemicolecotomy
      2. Arena G. International Summer School Faculty. “Cancer Biology and therapeutic strategies towards personalized medicine”, “Horizontal Transfer of Malignant Traits: a novel concept to understand metastatic disease: update on new discoveries. Lipari, Italy, June 4-9 2018
      4. Barkun J. Guest speaker at the first ACS -Kuwait chapter meeting- CME incl.
     14. Beckett A: DSTC course international instructor 3 x year
     15. Beckett A: Teaching Military Advanced Trauma Resuscitation Program Course and ATLS 3x year

B. Session/course/symposium Chair
   • Barkun J
     o Co-chair, CHPBA Symposium: Community Surgeon Referrals: Who should I send to an HPB Surgeon?”. Canadian Surgery Forum, St.-John’s, September 2018
     • Basik M.
       o Session moderator “Reality check: have you seen your patient?”, MedConference, Newark, NJ Nov 2018:
     • Boutros M.
       o Session chair. Emerging Treatment for Diverticulitis: Making Sense of the Evidence Amidst the Controversy. SAGES 2018, Seattle
     • Brodt P
       o Organizer and session chair of the Liver Metastasis Research Network meeting in Montreal, June 2018
     • Feldman L
       o Program Co-chair World Congress of Endoscopic Surgery, Seattle, April 2018
       o Chair, Fellowship Council Luncheon: Video Assessment to Ensure Competency. SAGES, Seattle, April 2018
       o Chair, Free Paper Session (new technology), 26th International Congress of the European Association for Endoscopic Surgery (EAES), London UK, May 31 2018
       o Chair, Surgical Stewardship panel session. Canadian Surgery Forum, St John’s, NFLD, September 2018
       o Chair CAGS-CAUS Leadership Retreat, Canadian Surgery Forum, Sept 2018, St Johns, NFLD
     • Fraser S:
       o Chair, Debates session, Canadian Surgical Forum debates chair
     • Lee L:
       o Outcomes session I (moderator) 16th World Congress of Endoscopic Surgery. Seattle, WA, April 13, 2018
       o ePoster session moderator, 2018 ASCRS Annual Meeting, Nashville, TN, May 20-23, 2018
     • Liberman S
       o CSCRS Symposium “How I do it”, Moderator, St. John’s, NF Sept. 2018
• Meguerditchian A
  o Chair oral abstract session, ASCO Quality Care symposium, Phoenix AZ, September 2018
• Metrakos P:
  o Liver Metastasis Research Network, Network Collaboration McGill University/Montreal co-Chair with Dr. Pnina Brodt, Montreal, June 2018
  o 16th annual McGill University HPB and liver transplant symposium. November 2018.
• Paraskevas S
  o Course Chair - 2nd CST Donor Surgical Skills Masterclass
• Razek T
  o ATLS refresher for the Canadian Space Agency astronaut David Saint-Jacques. August 27, 2018
  o Definitive Surgical Trauma Care Course (DSTC) – invited international instructor (Vancouver; Singapore; Melbourne)
  o Trauma and Disaster Team response (TDTR) in Ukraine
• Tchervenkov J
  o CST co organizer of 2017 & 2018 annual meeting

C. Grant Review
• Basik M
  o CIHR, Cancer Progression and Therapeutics B, invited grant panel member
• Boutros M
  o SAGES Grant Review Panel
  o Canadian Society of Colon and Rectal Surgeons Grant Review Panel
• Brodt P
  o CIHR- member- Cancer Biology and Therapeutics review panel (fall and spring competitions)
  o Israel Cancer Research Fund
• Meguerditchian A
  o Quality of care grant funding program, PSI foundation
  o Health research training B-HP committee. CIHR.
• Paraskevas S
  o Canadian National Transplant Research Program - Member, Review Panel, CNTRP-Astellas Research Innovation Grant Competition.
  o King’s Health Partners R&D Challenge Fund, UK (1 grant review)
• Sampalis J:
  o The arthritis society’s 2017-18 research grants competition
  o CIHR
• Tchervnekov J.
  o ASTS – trainee fellowship awards reviewer (12 grants)
• Zogopoulos G
D. Leadership in specialty societies or external organizations

• Andalib A
  o SAGES Bariatric Surgery Committee member

• Barkun J
  o SAGES: Safe Cholecystectomy task force
  o Editorial board: Annals of Surgery

• Beckett A
  o Trauma Association of Canada, Board of Directors
  o Eastern Association for the Surgery of Trauma, Military Committee
  o Associate Editor Canadian Journal of Surgery

• Bergman S:
  o Executive of the Canadian Undergraduate Surgical Education Committee
  o SAGES:
    ▪ Continuing Education Committee
    ▪ Program Committee
  o CAGS: MIS Committee

• Boileau J-F
  o Groupe McPeak-Sirois - Provincial Breast Cancer Clinical Trials Consortium, Member, Scientific Committee, Jewish General Hospital representative, PQ

• Boutros M
  o American Society of Colon and Rectal Surgeons:
    ▪ Standards Committee Member and Clinical Practice Guidelines Lead
