NOTE: All applicants must apply in writing, using the application form provided, to the appropriate Hiring Unit within ten (10) working days from the close of the posting.

NOTE: Announcements are considered tentative, pending final determination of course offerings and enrolments.

Teaching Assistantship Position Posting McGill University

McGill University is Committed to Equity in Employment

Date of Posting: October 15, 2018

Hiring Unit & Address: Geography
Burnside Hall Rm 705

Application Deadline Date: November 13, 2018

Course Title: Global Change: Past, Present and Future

Course Number: GEOG 205

Instructor: Professor Graham MacDonald & TBA

Hours of work: (per term) 90 hrs

Number of TA positions available (estimate): 4

Dates of Appointment

Starting: January 7, 2019

Ending: April 30, 2019

Salary:

Hourly rate: \$29.33

Per Term: \$2,639.70 (90 hrs)

Required Duties:

- Office hours for student consultation include helping students with up to two assignments (on, e.g., isostatic rebound and impacts of sea level change),
- Grading of assignment(s) and exams (up to 2 semester exams and a final exam);
- Occasional classroom assistance including exam invigilation, distribution of materials, multimedia presentations (e.g., showing videos), or helping instructors coordinate class discussion in small break-out groups.
- Leading occasional smaller tutorial sessions to assist students with assignments (in consultation with the instructors).

Qualifications Required:

Background in introductory-level physical geography that includes, e.g., climate, geomorphology, and Quaternary sciences.

Name & Title of Course Supervisors: Professor Graham MacDonald & TBA

Dept. Authorization: Prof. N. Roulet

Date: October 15, 2018

NOTE: All applicants must apply in writing, using the application form provided, to the appropriate Hiring Unit within ten (10) working days from the close of the posting.

NOTE: Announcements are considered tentative, pending final determination of course offerings and enrolments.

Teaching Assistantship Position Posting McGill University

McGill University is Committed to Equity in Employment

Date of Posting: October 15, 2018

Hiring Unit & Address: Geography
Burnside Hall Rm 705

Application Deadline Date: November 13, 2018

Course Title: Global Places and People

Course Number: GEOG 210

Instructor: Professors Yann le Polain de Waroux & Brian Robinson

Hours of work: (per term) 135 hrs (2 positions)
90 hrs (2 positions)

Number of TA positions available (estimate): 4

Dates of Appointment

Starting: January 7, 2019

Ending: April 30, 2019

Salary:

Hourly rate: \$29.33

Per Term: \$3,959.55(135 hrs), \$2,639.70 (90 hrs)

Required Duties:

- Grading of course examinations and compiling results. Questions on midterms will be in short-answer format (1 paragraph), multiple choice, etc. The instructors will provide detailed answer keys.
- Assisting with & grade field exercises and/or projects. Answer keys or grading rubrics will be provided.
- Invigilation of midterm exams, including distributing, collating, and verifying midterm exam papers.
- When necessary, assist in compilation and photocopying of course materials. Some viewing of videos might be required for grading.
- Hold office hours once a week for student enquiries regarding course material and evaluations.
- Some grading of student work; and collation and verifying of grades/papers.
- MyCourses management. Show videos to class and manage AV equipment.
- All TAs should be available on campus until the final exam has been fully graded (as late as the first week of May).

Qualifications Required:

- Familiarity with Basic Themes in Cultural Geography, Political Geography, and Social-economic Geography
- Bilingual an Asset
- Ability to manage database/spreadsheets

Name & Title of Course Supervisors: Professors Yann le Polain de Waroux & Brian Robinson

Dept. Authorization: Prof. N. Roulet

Date: October 15, 2018

NOTE: All applicants must apply in writing, using the application form provided, to the appropriate Hiring Unit within ten (10) working days from the close of the posting.

NOTE: Announcements are considered tentative, pending final determination of course offerings and enrolments.

Teaching Assistantship Position Posting McGill University

McGill University is Committed to Equity in Employment

Date of Posting: October 15, 2018

Hiring Unit & Address: Geography
Burnside Hall Rm 705

Application Deadline Date: November 13, 2018

Course Title: Cities in the Modern World

Course Number: GEOG 217

Instructor: Professor Natalie Oswin & TBD

Hours of work: (per term) 90 hours

Number of TA positions available (estimate): 4

Dates of Appointment

Starting: January 7, 2019

Ending: April 30, 2019

Salary:

Hourly rate: \$29.33

Per Term: \$2,639.70

Required Duties:

- The bulk of TA hours will be devoted to grading the midterms (scheduled early March and during final exam period), and a 5-page report (due at the end of the semester). TAs should be available on campus during these times. Most questions on these tests will be in short-answer format (1-3 paragraphs), and the instructors will provide detailed answer keys.
- Attendance at lectures and reading the course material are optional, but TAs will be expected to read the lecture notes and/or readings that provide the basis of the questions they grade. TAs will be expected to help invigilate the midterm exam (evenings ~5:30-8:30PM; and/or during class time). There may be additional miscellaneous duties as well.
- One TA will oversee the urban transect project for the class, including leading two sets of conferences in early-February and mid-March. This TA will grade projects rather than exams.
- All TAs should be available on an ad-hoc basis with 2-day notice, and should plan to be on campus until the all course material has been fully graded and the final grades submitted (as late as mid-May).

Qualifications Required:

At a minimum, TAs should have a broad familiarity with human geography or urban studies. Introductory-level (or above) coursework in urban geography, urban planning, and/or urban studies is strongly preferred.

Name & Title of Course Supervisor: Professor Natalie Oswin & TBA

Dept. Authorization: Prof. N. Roulet

Date: October 15, 2018

NOTE: All applicants must apply in writing, using the application form provided, to the appropriate Hiring Unit within ten (10) working days from the close of the posting.

NOTE: Announcements are considered tentative, pending final date
