Role: 2-3 clinics/wk; ½ call

Clarenville x 2 permanent position
49 acute care bed hospital

Prince Edward Island
http://www.healthjobspei.ca/index.php?number=1024780
No current GIM position
However, Charlottetown hospital is looking for a Gastroenterologist/Internist, so a GIM with interest in GI and training in endoscopy would likely fit

Nova Scotia
http://www.nshealth.ca/physician-listings?field_physician_recruit_type_value=All&field_physician_recruit_category_value=All&field_physician_recruit_location_value=All

**Contact physicianrecruit@nshealth.ca, as there may be other (unlisted) possibilities.

New Brunswick
http://www2.gnb.ca/content/gnb/en/corporate/promo/careers_in_healthcare/PermanentPositionVacancies.html

Moncton – The Moncton Hospital
Moncton is a regional centre and a hub within the Maritimes.
It is the home of the Université de Moncton, New Brunswick’s francophone university.
Hospital: 381-bed Level 2 trauma centre, with Med onc, NICU (maybe develop Med Obs!)
Training site of Dalhousie University
(Darlene Doiron at medical.staff@horzonnb.ca)

Fredericton – The Dr. Everett Chalmers Regional Hospital
In Fredericton (capital of NB). 314-bed hospital. Training site for Dalhousie Family Med. (Carol Clark at recruitmd@horizonnb.ca)

Miramichi – Miramichi Regional Hospital
Miramichi is one of the regional Acadian centres, at the south end of the Acadian peninsula and the mouth of the (you guessed it) Miramichi River!
150-bed hospital
(Dr. Robert Boulay at robert.boulay@horizonnb.ca)

Campbellton Regional Hospital (in Baie-des-Chaleurs, right next to Québec border)
contact: evelyne.valotaire@vitalitenb.ca
163 beds; 6 bed ICU and consults on medical/surgical units and ED
Looking for GIM with particular interest in Endocrinology.
Looking for GIM for particular interest in Geriatrics.
