Mining and Materials Engineering (Thesis) is being separated into two distinct programs, the M.Sc. Mining Engineering (Thesis) and the M.Sc. Materials Engineering (Thesis) (new program proposal submitted concurrently) for easier administration and to have degree names that are more representative of the disciplines. This program split is part of the recent strategic plan of the Department. MIME 670 is being removed because this course is taken only by Materials Engineering students. A "Required Course" section is being added for MIME 601 as this is not a seminar course.</p> <p>Old program title: M.Sc.; Mining and Materials Engineering (Thesis)</p> </div>
