The actual name of the program (Graduate Certificate in Assessing Driving Capabilities) is not representative of the whole spectrum of content covered in the certificate program. It only covers the evaluation portion of the program. Therefore it would be more appropriate to change the name of the program to '<i>Graduate Certificate in Driving Rehabilitation</i>' to accurately represent the content covered in the certificate program.</p> <p>THIS IS ONLY A TITLE CHANGE.</p> </div>	<input style="width: 150px; height: 20px;" type="text" value="15"/>	<input style="width: 150px; height: 20px;" type="text" value="15"/>
