

## Applicant Instructions:

Submit all the required documents to your unit by the deadline: 17 July 2020

- [Eligibility Screening Form](#)
- Copies of all postsecondary transcripts.
- Copy of proof of Citizenship.
- [Applicant checklist](#) - please submit one copy with application to academic unit:

Pre-selection forms: You are required to submit a pre-selection application to be nominated from McGill. This pre-selection application is based on the electronic application required from nominees to the agency.

- [PBEEE Postdoctoral Pre-selection Form](#)
- [PBEEE Short-term Researcher Pre-selection Form](#)

Units will append the copies of transcripts and proof of citizenship used during the eligibility screening process. Successful nominees will be required to send official, original transcripts to the agency for the agency deadline. Applicants who are currently registered at McGill should order transcripts through Minerva: McGill transcript ordering information

Agency Forms (please use the PDF dynamic version for pre-selection): These forms are for McGill internal selection purposes and other year's form linked to on this page is fine to use. \*\* note that "committee", "program", "PIN", and "application number" are NOT required at this time.

IMPORTANT : The supervisor who wrote the letter of acceptance cannot complete a letter of reference.

- [Lettre of reference \(PDF dynamique\): Link to Form](#)
- [Letter of acceptance \(from Supervisor\): Link to Form](#)

Please inform your referees (and supervisor, if applicable) that should you be nominated to the agency, they will be required to re-submit their letter with the online system in time for the agency deadline. We recommend they retain a copy of their letter from the preselection process.
