AWARDS AND DISTINCTIONS PRIX ET DISTINCTIONS

DEAN'S HONOUR LIST

A graduand identified as being on the Dean's Honour List must have earned a cumulative grade point average within the top ten per cent of their faculty's graduating class.

HONOURS

Honours programs demand a high degree of specialization and require students to satisfy specific departmental requirements while maintaining a good academic standing. This category is designed to prepare students for graduate study. Joint Honours programs are available in related disciplines.

FIRST CLASS HONOURS

Graduating students registered in an Honours program who obtain a certain cumulative grade point average as established by their faculties are awarded "First Class Honours."

DISTINCTION

The notation of "Distinction," is awarded to students who have completed the required number of McGill credits for graduation and whose cumulative grade point average is in the top 25 per cent, but below the top ten per cent of their faculty's graduating class.

MEDALS AND PRIZES

Details of the various medals and prizes awarded to students may be found in the calendars of the faculties and of the School of Continuing Studies.

TABLEAU D'HONNEUR DU DOYEN

Un diplômé inscrit au tableau d'honneur du doyen doit avoir obtenu une moyenne pondérée cumulative qui le place dans le premier décile de sa promotion.

PROGRAMME SPÉCIALISÉ

Un programme spécialisé exige un niveau de spécialisation élevé. Les étudiants doivent satisfaire aux exigences propres à leur département tout en obtenant de bons résultats académiques. Cette catégorie prépare en général les étudiants à des études supérieures. Des programmes spécialisés mixtes existent dans des disciplines connexes.

MENTION « TRÈS BIEN »

La mention « Très bien » est attribuée aux étudiants inscrits à un programme spécialisé qui obtiennent une moyenne pondérée cumulative équivalente à une norme fixée par leur faculté.

DISTINCTION

La mention « Distinction » est décernée aux étudiants qui ont obtenu le nombre réglementaire d'unités de McGill en vue de l'obtention de leur diplôme, ainsi qu'une moyenne pondérée cumulative qui se situe dans la tranche supérieure de 25 pour cent pour leur promotion, mais en deçà de la tranche supérieure de dix pour cent.

PRIX ET MÉDAILLES

Divers prix et médailles sont décernés aux étudiants. On trouvera des précisions à ce sujet dans les annuaires des différentes facultés et dans celui de l'École d'éducation permanente.

MCGILL UNIVERSITY CEREMONIAL MACE MASSE CÉRÉMONIALE DE L'UNIVERSITÉ MCGILL

Commissioned by Sir Timothy O'Shea, Principal and Vice-Chancellor of the University of Edinburgh, and gifted to McGill University for the Spring 2014 convocation ceremonies, the mace was designed by students from the Edinburgh College of Arts (ECA) and manufactured in the workshops of Hamilton and Inches.

The large centrepiece of the mace, a champlevé enamelled head, was etched and enamelled in the ECA workshops under the supervision of Stephen Bottomley and features the crests of the Universities of Edinburgh, Glasgow, and McGill. It is a lasting symbol of the important historic ties between these three institutions.

The base of the mace was designed by McGill staff members Gilles McSween and Nello Marussi. It is crafted of oak and features a sliver of the "Founder's Elm," a tree located on the estate of James McGill.

Commandée par Sir Timothy O'Shea, principal et vice-chancelier de l'Université d'Édimbourg, et offerte à l'Université McGill à l'occasion des cérémonies de collation des grades du printemps 2014, la masse a été dessinée par des étudiants du Edinburgh College of Arts (ECA) et fabriquée dans les ateliers d'Hamilton and Inches.

La pièce maîtresse de la masse, une imposante tête en émail champlevé, a été gravée et émaillée dans les ateliers du ECA, sous la supervision de Stephen Bottomley. Y ont été apposées les armoiries des universités d'Édimbourg, de Glasgow, et McGill. Cette œuvre se veut un symbole durable des liens historiques importants unissant ces trois institutions.

Faite de chêne, la base de la masse a été dessinée par Gilles McSween et Nello Marussi, membres du personnel de McGill. On y trouve un éclat de l'Orme du fondateur, un arbre situé sur le domaine légué par James McGill.
