

Department of History
Major Concentration in History (36 credits)
Program Advising/Audit Form
(updated October 2020)

Major Program Requirements: Complementary Courses (36 credits)

36 credits of history courses (HIST courses or selected courses offered in other units - see list below) according to the following requirements:

Distribution requirement:

- 3 credits from Group A
- 3 credits from Group B
- 3 credits from Group C

Temporal Breadth requirement:

- At least 3 credits focused on the period before 1800
- At least 3 credits focused on the period after 1800

Notes: The same course may be used to satisfy both a Distribution and Temporal Breadth requirement. HIST 299 may not be used to satisfy Temporal Breadth requirements. Advanced Placement or International Baccalaureate credits may not be included in the overall credit requirement for history programs. When Special Topics Course are taken twice, students must advise the History Student Affairs Coordinator, who will confirm with Faculty advising that the course content is different. This will ensure that the course is included in both the final credit count and GPA calculation.

Level requirement:

- Maximum 15 credits of complementary courses at the 200-level or lower
- Minimum 6 credits of 400- or 500- level courses. Note: students may use at most 3 credits of HIST 413 or 499 to fulfill this requirement.

Students should see a Department Program Adviser to plan a program that suits their needs and receive guidance on prerequisites. Consult the Department website for office hours - <http://www.mcgill.ca/history/undergraduate/programs>

Fill in the audit form with courses taken to date and bring with you when seeing an Adviser, or, complete entire form and bring to an Adviser for confirmation for graduation for the History component of your degree. **[NOTE:** Ensure you list the 'HIST' that are being used to fulfill program requirements toward other programs.]
