I, the undersigned, wish to opt out of the McGill University – Supplemental Health Plan (“Plan”) effective _________________ (subject to payroll processing deadlines).

I understand that, according to Quebec legislation¹, participation in a private plan that provides at least drug coverage is mandatory if under age 65. I confirm that I am currently covered for benefits, equal to at least those of the public drug insurance plan, under:

☐ My association or professional order

and have included written proof of alternate health coverage with this form.

I acknowledge that (i) I must rejoin if I lose coverage under another health plan and will advise McGill University immediately if I am no longer covered by this insurance plan and will provide all necessary documentation as required and (ii) all information provided on this form is accurate and complete.

I further acknowledge that before electing to opt out, I have had sufficient time to review the terms and conditions of the Supplemental Health Plan.
